

## Federal Retirement Thrift Investment Board

## § 1631.8

### § 1631.6 How to request records—form and content.

(a) A request made under the FOIA must be submitted in writing, addressed to: FOIA Officer, Federal Retirement Thrift Investment Board, 1250 H Street, NW., Washington, DC 20005. The words “FOIA Request” should be clearly marked on both the letter and the envelope.

(b) Each request must reasonably describe the record(s) sought, including, when known: Entity/individual originating the record, date, subject matter, type of document, location, and any other pertinent information which would assist in promptly locating the record(s). Each request should also describe the type of entity the requester is for fee purposes. See § 1631.11.

(c) When a request is not considered reasonably descriptive, or requires the production of voluminous records, or places an extraordinary burden on the Board, seriously interfering with its normal functioning to the detriment of the Thrift Savings Plan, the Board may require the person or agent making the FOIA request to confer with a Board representative in order to attempt to verify, and, if possible, narrow the scope of the request.

(d) Upon initial receipt of the FOIA request, the FOIA Officer will determine which official or officials within the Board shall have the primary responsibility for collecting and reviewing the requested information and drafting a proposed response.

(e) Any Board employee or official who receives a FOIA request shall promptly forward it to the FOIA Officer, at the above address. Any Board employee or official who receives an oral request made under the FOIA shall inform the person making the request of the provisions of this subpart requiring a written request according to the procedures set out herein.

(f) When a person requesting expedited access to records has demonstrated a compelling need, or when the Board has determined that it is appropriate to expedite its response, the Board will process the request ahead of other requests.

(g) To demonstrate compelling need in accordance with paragraph (f) of this section, the requester must submit a

written statement that contains a certification that the information provided therein is true and accurate to the best of the requester’s knowledge and belief. The statement must demonstrate that:

(1) The failure to obtain the record on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) The requester is a person primarily engaged in the dissemination of information, and there is an urgent need to inform the public concerning an actual or alleged Federal Government activity that is the subject of the request.

[55 FR 41052, Oct. 9, 1990, as amended at 59 FR 55331, Nov. 7, 1994; 63 FR 41708, Aug. 5, 1998]

### § 1631.7 Initial determination.

The FOIA Officer shall have the authority to approve or deny requests received pursuant to these regulations. The decision of the FOIA Officer shall be final, subject only to administrative review as provided in § 1631.10.

### § 1631.8 Prompt response.

(a)(1) When the FOIA Officer receives a request for expedited processing, he or she will determine within 10 work days whether to process the request on an expedited basis.

(2) When the FOIA Officer receives a request for records which he or she, in good faith, believes is not reasonably descriptive, he or she will so advise the requester within 5 work days. The time limit for processing such a request will not begin until receipt of a request that reasonably describes the records being sought.

(b) The FOIA Officer will either approve or deny a reasonably descriptive request for records within 20 work days after receipt of the request, unless additional time is required for one of the following reasons:

(1) It is necessary to search for and collect the requested records from other establishments that are separate from the office processing the request (e.g., the record keeper);

(2) It is necessary to search for, collect, and examine a voluminous amount of records which are demanded in a single request;
