

§ 731.102

5 CFR Ch. I (1-1-08 Edition)

has a natural tendency to affect, an official decision.

§ 731.102 Implementation.

(a) An investigation conducted for the purpose of determining suitability under this part may not be used for any other purpose except as provided in a Privacy Act system of records notice published by the agency conducting the investigation.

(b) Under OMB Circular No. A-130 Revised, issued February 8, 1996, the Director of OPM is to establish policies for Federal personnel associated with the design, operation, or use of Federal automated information systems. Agencies are to implement and maintain a program to ensure that adequate protection is provided for all automated information systems. Agency programs should be consistent with government-wide policies and procedures issued by OPM. The Computer Security Act of 1987 (Public Law 100-235) provides additional requirements for Federal automated information systems.

(c) Policies, procedures, criteria, and guidance for the implementation of this part shall be set forth in OPM issuances. OPM may revoke an agency's delegation to adjudicate suitability under this part if an agency fails to conform to OPM issuances.

§ 731.103 Delegation to agencies.

(a) OPM delegates to the heads of agencies limited authority for adjudicating suitability in cases involving applicants for and appointees to competitive service positions in the agency (including limited, agency-specific debarment authority under § 731.205). OPM retains jurisdiction in all competitive service cases involving evidence of material, intentional false statement or deception or fraud in examination or appointment. Agencies must refer these cases to OPM for adjudication, or contact OPM for prior approval if the agency wants to take action under its own authority (5 CFR part 315 or 5 CFR part 752). Also, this delegation does not include cases involving refusal to furnish testimony as required by § 5.4 of this chapter, title, or pass over requests involving preference eligibles who are 30 percent or more compensably disabled which must

be referred to OPM for adjudication, as provided under Civil Service Reform Act of 1978, Public Law 95-454, 92 Stat. 1111 *et seq.* (Codified as amended in scattered sections of 5 U.S.C.)

(b) Any adjudication by an agency acting under delegated authority from OPM which indicates that an extended general, across agency lines, debarment by OPM under § 731.204(a) may be an appropriate action should be referred to OPM for debarment consideration if not favorably adjudicated by the agency. Referral should be made prior to any proposed action, but after sufficient resolution of the suitability issue(s) through subject contact or investigation to determine if an extended general debarment period appears warranted.

(c) Agencies exercising authority under this part by delegation from OPM must show by policies and records that reasonable methods are used to ensure adherence to regulations, standards, and quality control procedures established by OPM.

(d) Before making any applicant suitability determination, the agency should first ensure the applicant is eligible for the position, among the best qualified, and/or within reach of selection. Because suitability issues may not be disclosed until late in the application/ appointment process, only the best qualified should require a suitability determination, with appropriate procedures followed and appeal rights provided, if suitability issues would form the only basis for elimination from further consideration.

(e) When an agency, exercising authority under this part by delegation from OPM, makes an adjudicative decision under this part, or changes a tentative favorable placement decision to an unfavorable decision, based on an OPM report of investigation or upon an investigation conducted pursuant to OPM-delegated authority, the agency should:

(1) Ensure that the records used in making the decision are accurate, relevant, timely, and complete to the extent reasonably necessary to ensure fairness to the individual in any determination;
