

position, a position for which a special pay rate is authorized (except as provided in paragraph (b)(2)(ii) of this section), or any other position in which the rate of basic pay is not equal to a grade and step in a pay schedule, the grade and step will be established for this purpose at the lowest step in the pay schedule grade that is equal to or greater than the actual rate of basic pay payable.

(ii) For those retiring with a retained rate of basic pay or from a position for which a special pay rate is in effect but whose rate of basic pay exceeds the highest rate payable in the pay schedule grade applicable to the position held, the grade is established for this purpose at the highest grade in the schedule that is closest to the grade of the position held and within which the amount of the retained pay falls. The step is established for this purpose at the lowest step in that grade that equals or exceeds the actual rate of pay payable.

(3) For annuitants retiring from the United States Postal Service, only cost-of-living allowances subject to FERS deductions are included in determining the current rate of basic pay of the position held at retirement.

(c) *Income.* (1) Earning capacity for the purposes of this section is demonstrated by an annuitant's ability to earn post-retirement income in exchange for personal services or a work product, or as a profit from one or more businesses wholly or partly owned by the disability annuitant and in the management of which the annuitant has an active role. Income for the purposes of this section is not necessarily the same as income for the purposes of the Internal Revenue Code.

(2) Income earned from one source is not offset by losses from another source. Income earned as wages is not reduced by a net loss from self-employment. The net income from each self-employment endeavor is calculated separately, and the income earned as net earnings from one self-employment endeavor is not reduced by a net loss from another self-employment endeavor. Thus, a net loss from one endeavor is considered to be a net income of zero, and the net incomes from each separate self-employment endeavor are

added together to determine the total amount of income from self-employment for a calendar year.

(3) Income is counted in the calendar year in which it is earned, even though receipt may be deferred.

(d) *Requirement to report income.* All disability annuitants who, on December 31 of any calendar year, are under age 60 must report to OPM their income from wages or self-employment or both for that calendar year. Each year as early as possible, OPM will send a form to annuitants to use in reporting their income from the previous calendar year. The form specifies the date by which OPM must receive the report. OPM will determine entitlement to continued annuity on the basis of the report. If an annuitant fails to submit the report, OPM may stop annuity payments until it receives the report.

§ 844.403 Annuity rights after a disability annuity terminates.

(a) When a disability annuity is terminated because of recovery or restoration of earning capacity and the individual is not employed in the Government, the individual is entitled to an annuity:

(1) Under 5 U.S.C. 8414(b) if the individual:

(i) Is at least age 50 when the disability annuity ceases and had 20 or more years of service at the time of retiring for disability; or

(ii) Has 25 or more years of service at the time of retiring for disability, regardless of age; or

(2) Under 5 U.S.C. 8412(g) if the individual is at least the minimum retirement age applicable under 5 U.S.C. 8412(h) when the disability annuity ceases and had 10 or more years of service at the time of retiring for disability.

(b) When a disability annuitant whose annuity was terminated because of Federal reemployment is separated and meets the age and service requirements for immediate retirement under 5 U.S.C. 8412 or 8414, the individual is entitled to an annuity computed under 5 U.S.C. 8415.
