Subpart D—Cost of Insurance

§ 870.401 Withholdings and contributions for Basic insurance.

(a)(1) The cost of Basic insurance is shared between the insured individual and the Government. The employee pays two-thirds of the cost, and the Government pays one-third.

(2) When OPM makes any adjustment to the Basic life insurance premium, it will issue a public notice in the FEDERAL REGISTER.

(b)(1) During each pay period in which an insured employee is in pay

status for any part of the period, the employee's share of the premium must be withheld from the employee's biweekly pay. The amount withheld from the pay of an employee who is paid on other than a biweekly basis must be computed and adjusted to the nearest one-tenth of one cent.

(2) The amount withheld from the pay of an insured employee whose annual pay is paid during a period shorter than 52 work weeks is the amount obtained by converting the biweekly rate to an annual rate and prorating the annual rate over the number of installments of pay regularly paid during the year.

(3) The amount withheld from the pay of an insured employee whose BIA changes during a pay period is based on the BIA in force at the end of the pay period.

(c) For each pay period in which an employee is insured, the employing agency must contribute an amount equal to one-half the amount withheld from the employee's pay. This agency contribution must come from the appropriation or fund that is used for the payment of the employee's pay. For an elected official, the contribution must come from the appropriation or fund that is available for payment of other salaries in the same office.

(d)(1) For an annuitant or compensationner who elects to continue Basic insurance and chooses the maximum reduction of 75 percent after age 65 under § 870.702(a)(2), the annuitant's share of the premium is withheld monthly and the compensationner's share is withheld every 4 weeks. These withholdings stop the month after the month in which the annuitant or compensationner reaches age 65. There are no withholdings from individuals who retired or began receiving compensation before January 1, 1990, and who elected the 75 percent reduction. For the purpose of this paragraph, an individual who separates from service after meeting the requirements for an immediate annuity under 5 U.S.C. 8412(g) is considered to retire on the day before the annuity begins.

(2) An annuitant or compensationner who elects to continue Basic insurance and chooses either the reduction election of 50 percent or the election of no
