apply for coverage with full underwriting at any time following the marriage.

[68 FR 5534, Feb. 4, 2003, as amended at 72 FR 12037, Mar. 15, 2007]

§ 875.406 May I change my coverage?

(a) You may make the following changes to your coverage:

(1) You may apply to increase your coverage at any time. Full underwriting is required, except when an open season allows abbreviated underwriting.

(2) If you increase your coverage by adding to your daily benefit amount, the premiums for the additional coverage will be based on your age, prevailing premium rates, and coverage rules in effect at the time you purchase the additional coverage.

(3) For other types of coverage increases, your entire premium will be based on your age, prevailing premium rates, and coverage rules in effect at the time you purchase the increased coverage. Any increase in coverage will take effect on the 1st day of the month following the date the Carrier approves your request for an increase.

(b) You may decrease your coverage at any time, although any decrease will be subject to coverage rules at the time of the decrease. Decreased coverage takes effect on the 1st day of the month after the Carrier receives your request. You will not receive any refund of premiums paid for coverage you held before the decrease; however, your subsequent premiums will be reduced based on your new, lower level of coverage. The Carrier will refund or credit any portion of premium paid in advance for the period following the date on which you decrease your coverage.

(c) You may cancel your coverage at any time.

(1) If you cancel during the free look period, your premiums will be refunded to you.

(2) If you cancel your coverage at any time other than during the free look period, cancellation will take effect on your requested cancellation date or at the end of the period covered by your last premium payment, whichever occurs first. You will not receive any refund of premiums paid, other than any premiums paid in advance for the pe-

riod following the effective date of your cancellation of coverage, and you will not have to pay any more premiums unless you owed retroactive premiums.

§ 875.407 Who makes insurability decisions?

The Carrier determines the insurability of all applicants. The Carrier's decision may not be appealed to OPM.

§ 875.408 What is the significance of incontestability?

(a) Incontestability means coverage issued based on an erroneous application may remain in effect. Such coverage will not remain in effect under any of the following conditions:

(1) If your coverage has been in force for less than 6 months, the Carrier may void your coverage upon a showing that information on your signed application that was material to your approval for coverage is different from what is shown in your medical records.

(2) If your coverage has been in force for at least 6 months but less than 2 years, the Carrier may void your coverage upon a showing that information on your signed application that was material to your approval for coverage is different from what is shown in your medical records and pertains to the condition for which benefits are sought.

(3) After your coverage has been in effect for 2 years, the Carrier may void your coverage only upon a showing that you knowingly and intentionally made a false or misleading statement or omitted information in your signed application for coverage regarding your health status that was material to your approval for coverage.

(4) If your coverage is voided, as described in paragraph (a)(1), (a)(2), or (a)(3) of this section, no claims will be paid. In addition, the provisions of § 875.104 relating to the procedures for resolving a dispute involving benefits eligibility or claims denials do not apply to your situation. You may request a review by the Carrier if you believe that your coverage was voided in error. You must submit your request in writing to the Carrier within 30 days of the date of the rescission letter (letter voiding your coverage).
