Such person must be identified on FSA-578 during the representative period or provide documentation that demonstrates that the person was a cotton producer during the representative period. Cotton producers not listed on the FSA-578 shall submit at least one sales receipt for cotton they planted during the representative period. Cotton producers must make requests to the county FSA office where the producer's farm is located. It is the responsibility of the person to provide the information need by the county FSA office to determine eligibility. It is not the responsibility of the county FSA office to obtain this information. If any person whose name does not appear on the county FSA office list fails to provide at least one sales receipt for the cotton they produced during the representative period, the county FSA office shall determine that such person is ineligible to participate in the sign-up period, and shall note "ineligible" in the remarks section next to the person's name on the county FSA office sign-up sheet. In lieu of personally appearing at a county FSA office, eligible producers may request a sign-up form from the county FSA office where the producer's farm is located. If the producer's land is in more than one county, the producer shall make the request for the sign-up form at the county office where the FSA administratively maintains and processes the producer's farm records. Such request must be accompanied by a copy of at least one sales receipt for cotton they produced during the representative period. The appropriate FSA office must receive all completed forms and supporting documentation by November 30, 2007.
