

§ 1240.113 Importer.

Each lot of honey and honey products imported into the United States is subject to assessment under this part. Such assessment shall be paid by the importer of such honey and honey products at the time of entry or withdrawal for consumption into the United States. Any person who imports honey or honey products into the United States as principal, agent, broker, or consignee for honey produced outside the United States and imported into the United States shall be the importer.

§ 1240.114 Exemption procedures.

(a) To obtain a Certificate of Exemption for organic honey, an eligible producer shall submit a request for exemption to the Board—on a form provided by the Board—at any time initially and annually thereafter on or before January 1 as long as the producer continues to be eligible for the exemption. The request shall include the following: The producer's name and address, a copy of the organic farm or organic handling operation certificate provided by a USDA-accredited certifying agent as defined in section 2103 of the Organic Foods Production Act of 1990 (7 U.S.C. 6502), a signed certification that the applicant meets all of the requirements specified for an assessment exemption, and such other information as may be required by the Board and with the approval of the Secretary.

(b) If the producer complies with the requirements of this section, the Board will approve the exemption and issue a Certificate of Exemption to the producer. For exemption requests received on or before August 15, 2005, the Board will have 60 days to approve the exemption request; after August 15, 2005, the Board will have 30 days to approve the exemption request. If the application is disapproved, the Board will notify the applicant of the reason(s) for disapproval within the same timeframe.

(c) A producer receiving an organic exemption shall provide a copy of the Certificate of Exemption to each first handler, producer-packer, importer, and exporter to whom the producer sells honey. The handler shall maintain records showing the exempt producer's

name and address and the exemption number assigned by the Board.

(d) An importer who is eligible to be exempt from the payment of assessments on imported organic honey and honey products may request an exemption from assessment on 100 percent organic honey and honey products—on a form provided by the Board—at any time initially and on or before January 1 as long as the importer continues to be eligible for the exemption. This documentation shall include the same information required of producers and producer-packers in paragraph (a) of this section. If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer. The Board will also issue the importer a 9-digit alphanumeric Harmonized Tariff Schedule (HTS) classification valid for 1 year from the date of issue. This HTS classification should be entered by the importer on the Customs entry documentation. Any line item entry of 100 percent organic honey and honey products bearing this HTS classification assigned by the Board will not be subject to assessments.

(e) The exemption will apply immediately following issuance of the Certificate of Exemption.

(f) Agricultural commodities produced and marketed under an organic system plan, as described in 7 CFR 205.201, but not sold, labeled, or represented as organic, shall not disqualify a producer from exemption under this section, except that producers who produce both organic and non-organic agricultural commodities as a result of split operations shall not qualify for exemption. Reasons for conventional sales include lack of demand for organic products, isolated use of antibiotics for humane purposes, chemical or pesticide use as the result of State or emergency spray programs, and crops from a buffer area as described in 7 CFR part 205, provided all other criteria are met.

(b) An assessment of one cent per pound is levied on honey produced in the United States, on imported honey entered or withdrawn for consumption into the United States, and on honey used in imported honey products entered or withdrawn for consumption into the United States except that assessments shall not be levied on the following:

(1) Any persons other than importers holding a valid exemption certificate pursuant to §1240.42 during the 12-month period ending on December 31;

(2) That portion of honey which does not enter the current of commerce which is utilized solely to sustain a producers or producer-packer's own colonies of bees;

(c) The assessment on each lot of honey handled in the United States shall be paid by the first handler who handles, or by the producer-packer who produces and handles such honey.

(1) The first handler shall collect and pay assessments to the Board unless such handler has received documentation acceptable to the Board that the assessment has been previously paid.

(ii) Has received documentation acceptable to the Board that the assessment has been previously paid.

(d) Assessments shall be levied with respect to honey pledged as collateral for a loan or loan deficiency payment under the Commodity Credit Corporation (CCC) Honey Price Support Program in accordance with an agreement entered into between the Honey Board and the CCC. The assessment will be deducted from the proceeds of the loan or loan deficiency payment by the CCC and forwarded to the Board, except that the assessment shall not be de-

ducted in the case of a honey marketing cooperative that has already deducted the assessment or that portion of the assessment paid to a qualified State plan exempted by the Board. The Secretary, through the CCC, shall provide for the producer to receive a statement of the amount of the assessment deducted from the loan funds or loan deficiency payment promptly after each occasion when an assessment is deducted from any such loan funds or payment under this subsection.

(e) The U.S. Customs Service (USCS) will collect assessments on all honey or honey products where honey is the principal ingredient imported under its tariff schedule (HTS heading numbers 0409.00.00 and 2106.90.9988) at the time of entry or withdrawal for consumption and forward such assessment as per the agreement between the USCS and USDA. Any importer or agent who is exempt from payment of assessments pursuant to §1240.42 (a) and (b) of the Order may apply to the Board for reimbursement of such assessment paid.

(f) A late payment charge shall be imposed on any handler, producer-packer, or importer except as otherwise authorized by the Board, who fails to pay to the Board within the time prescribed in this subpart the total amount of assessment due for which any such handler, importer, or producer-packer is liable. Fifteen days after the assessment becomes due a one-time late payment charge of 10 percent will be added to any outstanding funds due the Board.

(g) In addition to the late payment charge, one and one-half percent per month interest on the outstanding balance except as otherwise authorized by the Board, will be added to any accounts delinquent over 30 days and will continue monthly until the outstanding balance is paid to the Board.
