

**§ 1430.209**

(3) Payments to dairy operations will be based on calculated payment rates rounded seven places to the right of the decimal.

(d) Payments under this subpart may be made to a dairy operation only up to the first 2.4 million pounds of eligible milk production per applicable fiscal year, including any year in the transition period.

(e) Dairy operations receiving benefits under this subpart, will receive payments on a monthly basis according to the MILC, to the extent practicable, not later than 60 days after the production evidence and all supporting documents for the applicable month are received by CCC. Payments issued by CCC later than 60 days after all production evidence and supporting documentation are received by CCC will be subject to prompt payment interest as allowed by law.

**§ 1430.209 Proof of market loss production.**

(a) A dairy operation entering into a MILC must, based on instructions issued by the Deputy Administrator, provide adequate proof of the dairy operation's eligible production during the months of each fiscal year designated in the MILC. The dairy operation must also provide proof that the eligible production was commercially marketed during the months beginning October 1, 2005, and ending September 30, 2007. Evidence of milk production claimed for payment shall be provided to CCC with supporting documentation under paragraph (b) of this section. All information provided is subject to verification, spot check and audit by FSA. Further verification information may be obtained from the dairy operation's milk handler or marketing cooperative if deemed necessary by CCC to verify provided information. Refusal to allow a representative of CCC or any other agency of the Department of Agriculture to verify any information provided will result in a determination of ineligibility for benefits under this subpart.

(b) Eligible dairy operations marketing milk during the period specified

**7 CFR Ch. XIV (1-1-08 Edition)**

in the MILC shall provide any available supporting documents from all producers in the dairy operation to assist CCC in verifying that the dairy operation produced and marketed milk commercially from the designated starting month and thereafter. Examples of supporting documentation include, but are not limited to: milk marketing payment stubs, tank records, milk handler records, daily milk marketings, copies of any payments received as compensation from other sources, or any other documents available to confirm the production and production history of the dairy operation. Producers may also be required to allow CCC to examine the herd of cattle as production evidence. If supporting documentation requested is not presented to CCC or FSA, the request for MILC benefits will be disapproved.

**§ 1430.210 MILC agents.**

(a) MILC benefits may be disbursed by a dairy marketing cooperative that serves special groups or communities, such as an Amish or Mennonite community. Producers in such groups in a dairy operation may authorize an agent of a dairy cooperative or milk handler affiliated with such cooperative to obtain and disburse MILC benefits to the dairy operation.

(b) The authorized MILC agent must on behalf of the dairy operation do the following:

(1) Obtain an acceptable power of attorney or acceptable equivalent for the producers of the dairy operation that authorizes the agent to enter into an MILC contract;

(2) Enter into a written agreement with CCC for approval to act as a MILC agent on a form prescribed by CCC;

(3) Provide the dairy operation's monthly production evidence to the appropriate FSA office;

(4) Disburse payment to the dairy operation in the producer's monthly milk check or in an otherwise approved manner.
