§ 1430.212 Contract modifications.

(a) Producers in a dairy operation must notify FSA immediately of any changes that may affect their MILC. Changes include, but are not limited to changes to the starting month to receive payment for the next fiscal year, death of producer on the contract, new member joining the operation, member exiting the operation, transfer of shares by sale or other transfer action, or farm reconstitutions undertaken in accordance with § 1430.213.

(b) CCC may modify an MILC if such modifications are desirable to carry out purposes of the program or to facilitate the program's administration.

§ 1430.213 Reconstitutions.

(a) A dairy operation receiving MILC benefits may reorganize or restructure such that the constitution or makeup of their operation is reconstituted in another organizational framework. However, any operation that changes after December 1, 2001, is subject to a review by FSA to determine if the operation was reorganized for the sole purpose of receiving multiple payments.

(b) A dairy operation that FSA determines has reorganized solely to receive additional MILC payments will be in violation of its contract and dealt in accordance with § 1430.214.

(c) If during the contract period a change in the dairy operation occurs, the modification to the MILC will not take effect until the first day of the fiscal year following the month FSA re-

ceived notification of the changes. Changes include but are not limited to any producer affiliated with a dairy operation that has an approved MILC with CCC forming a new dairy operation that is not formed solely to receive additional MILC payments.

(d) Changes resulting in the following will take effect immediately upon notification to CCC, in accordance with § 1430.212:

(1) Increases or reductions of shareholders or producers and their corresponding share amounts in the dairy operation; or

(2) Purchases of a new dairy operation by a producer or producers not affiliated with an existing dairy operation that has an approved MILC with CCC.

§ 1430.214 Violations.

(a) If producers in a dairy operation violates the MILC or the requirements of this subpart, CCC may:

(2) Allow the MILC to remain in effect and require the producer to repay a portion of the payments received commensurate with the violation's severity, as CCC determines.

(3) If the MILC is terminated under this section, the participant shall forfeit all rights to further MILC benefits and shall refund all or part of the payments received as CCC determines appropriate.

(4) A producer or operation with a violation, as determined by CCC, shall refund all MILC funds disbursed under of this part. The remedies provided in this subpart shall be in addition to other civil, criminal, or administrative remedies which may apply.

(b) A MILC is violated by the following actions:

(1) Failure to comply with the terms and conditions of the MILC and addendum;

(2) Reconstitutions of the dairy operation for the sole purpose of receiving multiple program benefits;

(3) Failure to comply with highly erodible land conservation and wetland

(4) Failure to meet the definition of a dairy operation according to §1430.202;

(5) Any action that tends to defeat the purpose of the program, as CCC determines.

(c) The Deputy Administrator for Farm Programs (DAFP) of the Farm Service Agency may terminate any MILC by mutual agreement upon request of the participant if DAFP determines that termination is in the best interest of the public.

(d) The DAFP may determine that failure of the dairy operation to perform the MILC does not warrant termination and may require the participant to refund part of the payments received or accept adjustments in the payment as the DAFP determines to be appropriate.

§ 1430.215 [Reserved]

§ 1430.216 Contracts not in conformity with regulations.

If it is discovered that an MILC contract does not comply with this subpart as the result of a misunderstanding by someone who has signed the contract, the contract may be modified by mutual agreement. If the parties to the MILC cannot reach agreement for such modification, it shall be terminated and all payments paid or payable under the contract shall be forfeited or refunded to CCC, except as may otherwise be allowed under § 1430.214.
