(e) The Deputy Administrator may authorize State and county committees to waive or modify deadlines (except statutory deadlines) in cases where lateness to file does not adversely affect operation of the program.

(f) Items including, but not limited to, application periods, coverage periods, application deadlines, fees, prices, yields, and payment factors established for NAP in accordance with this part that are used for similarly situated participants and eligible crops are not to be construed to be individual program eligibility determinations or extent of eligibility determinations and are, therefore, not subject to administrative review.
