(3) For aid, benefits, or services delivered at privately-owned facilities, such as homes and farm buildings, recipients shall use accessible facilities whenever qualified handicapped persons requiring such accessibility are participating, have expressed an interest in participating, or are likely to participate. (4) Recipients shall make camping activities accessible to qualified handicapped persons. Recipients are not required to make every existing camp, all existing camp facilities, or all camp sessions accessible, but recipients who operate more than one camp or session may not limit qualified handicapped persons to one camp or session.
