

§ 1709.118

to facilitate the Agency's identification of projects that may require additional environmental review under 7 CFR part 1794 before a grant award can be approved. The format and requirements for the environmental profile will be established in the grant announcement.

(13) *Regulatory and other required project approvals.* The applicant must identify all regulatory or other approvals required by other Federal, State, local, tribal or private entities (including conditions precedent to financing) that are necessary to carry out the proposed project and an estimated schedule for obtaining the necessary permits and approvals.

§ 1709.118 Submission of applications.

Unless otherwise provided in the grant announcement, a complete original application package and two copies must be submitted by the application deadline to RUS at the address specified in the applicable announcement. Instructions for submittal of applications electronically will be established in the grant announcement.

§ 1709.119 Review of applications.

(a) RUS will review each application package received to determine whether the applicant is eligible and whether the application is timely, complete, and responsive to the requirements set forth in the grant announcement.

(b) RUS may, at its discretion, contact the applicant to clarify or supplement information in the application needed to determine eligibility, identifying information, and grant requests to allow for informed review. Failure of the applicant to provide such information in response to a written request by the Agency within the time frame established by the Agency may result in rejection of the application.

(c) After consideration of the information submitted, the Assistant Administrator, Electric Program will determine whether an applicant or project is eligible and whether an application is timely, complete, and responsive to the grant announcement and shall notify the applicant in writing. The Assistant Administrator's decision on eligibility may be appealed to the Administrator.

7 CFR Ch. XVII (1-1-08 Edition)

§ 1709.120 Evaluation of applications.

(a) The Agency will establish one or more rating panels to review and rate the grant applications. The panels may include persons not employed by the Agency.

(b) All timely and complete applications that meet the eligibility requirements will be referred to the rating panel. The rating panel will evaluate and rate all referred applications according to the evaluation criteria and weights established in the grant announcement. Panel members may make recommendations for conditions on grant awards to promote successful performance of the grant or to assure compliance with other Federal requirements.

(c) After the rating panel has evaluated and scored all proposals, in accordance with the point allocation specified in the grant announcement, the panel will prepare a list of all applications in rank order, together with funding level recommendations and recommendations for conditions, if any.

(d) The list of ranked projects and rating panel recommendations will be forwarded to the Administrator for review and selection.

§ 1709.121 Administrator's review and selection of grant awards.

(a) The final decision to make an award is at the discretion of the Administrator. The Administrator shall make any selections of finalists for grant awards after consideration of the applications, the rankings, comments, and recommendations of the rating panel, and other pertinent information.

(b) Based on consideration of the application materials, ranking panel ratings, comments, and recommendations, and other pertinent information, the Administrator may elect to award less than the full amount of grant requested by an applicant. Applicants will be notified of an offer of a reduced or partial award. If an applicant does not accept the Administrator's offer of a reduced or partial award, the Administrator may reject the application and offer an award to the next highest ranking project.
