

§ 1717.306 RUS required rates.

(a) Upon the publication in the FEDERAL REGISTER of the notice of pre-emption of state regulatory authority as provided in this subpart, RUS will exercise exclusive jurisdiction over the rates of the borrower pursuant to the terms of the RUS documents. The borrower shall immediately establish rates with the approval of RUS that are sufficient to satisfy the requirements of the RUS wholesale power contract and other RUS documents described in §1717.303 of this subpart. The borrower shall establish such rates notwithstanding provisions of state law, and rules, orders or other actions of state regulatory authorities, and notwithstanding any provision of the RUS documents referring to such laws, rules, orders or actions.

(b) So long as the state regulatory authority shall be pre-empted hereunder, RUS shall be considered the governmental regulatory body with jurisdiction over rates for the purposes of the RUS documents and for the purposes of section 1129(a)(6) of the Bankruptcy Code of 1978, as amended (11 U.S.C. 1129(a)(6)).

(c) If a borrower, which is subject to exclusive RUS rate jurisdiction, shall fail to establish rates in accordance with terms of the RUS wholesale power contract and other RUS documents in a timely fashion, RUS may proceed to exercise any and all rights and remedies available pursuant under the RUS documents or otherwise.

(d) The jurisdiction of the state regulatory authority over the rates of the borrower shall continue to be pre-empted hereunder until the Administrator shall in writing approve the resumption of jurisdiction by the state regulatory authority and publish in the FEDERAL REGISTER a notice to such effect. The Administrator shall approve resumption only after determining that such jurisdiction shall be exercised in a manner consistent with Federal interests.

§ 1717.307 Distribution members' rates.

A state regulatory authority which has been pre-empted as provided in this

subpart may continue to exercise jurisdiction, pursuant to applicable provisions of state law, over all other business affairs of the power supply borrower and over the rates of its distribution members: Provided, however, that the state regulatory authority shall treat any RUS approved rate for the power supply borrower as fair and reasonable and shall not in any manner, directly or indirectly, prevent or impede the distribution member from recovering the costs of paying the RUS approved rates to the power supply borrower.

§ 1717.308 RUS approval of nonconforming rates.

Borrowers may request and RUS may approve rates which do not conform with the requirements of the RUS wholesale power contract and other RUS documents if RUS determines, in its sole discretion, that such approval is in the interests of RUS. If RUS approval is granted prior to pre-emption hereunder, and if the state regulatory authority shall have approved such rates, then, so long as RUS's approval of the nonconforming rates remains in effect, the jurisdiction of the state regulatory authority over the rates of the borrower shall not be pre-empted hereunder.

§ 1717.309 Additional statutory pre-emption.

This subpart addresses pre-emption of state law and state regulatory authority in only those specific circumstances herein described. Nothing in this subpart waives, limits, or otherwise affects the explicit pre-emption or pre-emption, which is implicit and shall occur pursuant to the RE Act as a matter of law, of state law or action of a state regulatory authority where such state law or such action compromises Federal interests, including the ability of any borrower, including power supply borrowers, to repay loans made or guaranteed by RUS.
