(4) *Meal service standards.* Grantees shall plan for and provide meals which are wholesome, nutritious, and each of which meets a minimum of one-third of the minimum daily dietary allowances as established by the Food and Nutrition Board of the National Academy of Sciences-National Research Council (or State or local standards, if these standards are higher). Grantees must have an annual certification, prepared and signed by a registered dietitian, which states that each meal provided under CHSP meets the minimum daily dietary allowances.
