**§ 1955.145 Land acquisition to effect sale.**

The State Director is authorized to acquire land which is necessary to effect sale of inventory real property. This action must be considered only on a case-by-case basis and may not be undertaken primarily to increase the financial return to the Government through speculation. The State Director's authority under this section may *not* be redelegated. For MFH and other organization-type loans, prior approval must be obtained from the appropriate Assistant Administrator prior to land acquisition.

(a) *Alternate site.* Where real property has been determined to be NP due to location and where it is economically feasible to relocate the structure thereby making it a program property, the State Director may authorize the acquisition of a suitable parcel of land to relocate the structure if economically feasible. The remaining NP parcel of land will be sold for its market value.

(b) *Additional land.* Where real property has been determined NP for reasons that may be cured by the acquisition of adjacent land or an alternate site, in order to cure title defects or encroachments or where structures have been built on the wrong land *and* where it is economically feasible, the State Director may authorize the acquisition of additional land at a price not in excess of its market value.

(c) *Easements or rights-of-way.* The State Director may authorize the acquisition of easements, rights-of-way or other interests in land to cure title defects, encroachments or in order to

### § 1955.146 Advertising.

(a) *General.* When property is being sold by FmHA or its successor agency under Public Law 103-354 or through real estate brokers, it is the servicing official's responsibility to ensure adequate advertising of property to achieve a timely sale. The primary means of advertisements are newspaper advertisements in accordance with FmHA or its successor agency under Public Law 103-354 Instruction 2024-F (available in any FmHA or its successor agency under Public Law 103-354 office), public notice using Form FmHA or its successor agency under Public Law 103-354 1955-41, "Notice of Sale," and notification of known interested parties. Other innovative means are encouraged, such as the use of a bulletin board to display photographs of inventory properties for sale with a brief synopsis of the property attached; posting Forms FmHA or its successor agency under Public Law 103-354 1955-40 or FmHA or its successor agency under Public Law 103-354 1955-43, as appropriate, in the reception area to attract applicant and broker interest; posting notices of sale at employment centers; door-to-door distribution of sales notices at apartment complexes; radio and/or television spots; group meetings with potential applicants/investors/real estate brokers; and advertisements in magazines and other periodicals. If FmHA or its successor agency under Public Law 103-354 personnel are not available to perform these services, FmHA or its successor agency under Public Law 103-354 may contract for such services in accordance with FmHA or its successor agency under Public Law 103-354 Instruction 2024-A (available in any FmHA or its successor agency under Public Law 103-354 office).

(b) *Large-value and complex properties.* Advertising for MFH, B&I and other large-value or complex properties should also be placed in appropriate newspapers and publications designed to reach the type of particular purchasers most likely to be interested in the inventory property. The State Di-

Advertising for MFH and other complex properties must also include appropriate language stressing the need to obtain and submit complete application materials for the type program involved.

(c) *MFH restrictive-use provisions.* Advertisements for multi-family housing projects will advise prospective purchasers of any restrictive-use requirements that will be attached to the project and added to the title of the property.

(d) *Racial and socio-economic considerations.* In accordance with the policies set forth in §1901.203(c) of subpart E of part 1901 of this chapter, the approval official will make a special effort to insure that those prospective purchasers in the marketing area who traditionally would not be expected to apply for housing assistance because of existing racial or socio-economic patterns are reached.

(e) *Rejected application for SFH loan.* If an application for a SFH loan is being rejected because income is too high, a statement should be included in the rejection letter that inventory properties may be available for which they may apply.
