§ 318.58-3 Conditions of movement.

(a) *To any destination.* Any regulated articles may be moved interstate from Puerto Rico or the Virgin Islands of the United States in accordance with this subpart to any destination if:

(1) The movement is authorized by a valid certificate issued in accordance with § 318.58-4, or

(2) The movement is exempted from certificate requirements by administrative instructions in this subpart.

(b) *To a foreign destination after transiting the continental United States.* Fruits and vegetables from Puerto Rico and the Virgin Islands of the United States that are otherwise prohibited

7 CFR Ch. III (1-1-08 Edition)

movement from those territories into or through the continental United States by this subpart may transit the continental United States en route to a foreign destination when moved in accordance with § 318.58-12 of this subpart.

(c) *Segregation of certified articles.* Articles authorized for movement by a certificate after treatment in accordance with § 318.58-4(b), taken aboard any ship, vessel, other surface craft, or aircraft in Puerto Rico or the Virgin Islands of the United States, must, under the supervision of an inspector, be segregated and protected from infestation by any plant pest or disease.

(d) *Attachment of certificates.* Except as otherwise provided for certain air cargo and containerized cargo on ships moved in accordance with § 318.58-10, each box, bale, crate, or other container of regulated articles moved under a certificate shall have the certificate attached to the outside of the container: *Provided*, that if a certificate is issued for a shipment of more than one container or for bulk products, the certificate shall be attached to or stamped on the accompanying waybill, manifest, or bill of lading.

§ 318.58-4 Issuance of certificates or limited permits.

Under the following conditions, an inspector may issue a certificate or limited permit for the movement of regulated articles to be moved in accordance with this subpart:

(a) *Certification on basis of inspection or nature of lot involved.* An inspector may issue a certificate for fruits and vegetables designated in § 318.58-2(b)(1) after the inspector has inspected them and found that they appear free from infestation and infection, or has determined without an inspection that the lot for shipment is of such a nature that there appears to be no danger of infestation or infection.

(b) *Certification on basis of treatment.* Fruits and vegetables designated in § 318.58-2(b) may be certified after undergoing an approved treatment contained in part 305 of this chapter under the supervision of an inspector and if
