

(c) *Life estate interest.* To be acceptable, a life estate interest must provide the applicant with rights of present possession, control, and beneficial use of the property. For secured loans, generally persons with any remainder interests must be signatories to the mortgage. All of the remainder interests need not be included in the mortgage to the extent that one or more of the persons holding remainder interests are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or if the remainder interests are divided among such a large number of people that it is not practical to obtain the signatures of all of the remainder interests. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(d) *Undivided interest.* An undivided interest is acceptable if there is no reason to believe that the applicant's position as an owner-occupant will be jeopardized as a result of the improvements to be made, and:

(1) In the case of unsecured loans or grants, if any co-owners living or planning to live in the dwelling sign the repayment agreement.

(2) In the case of a secured loan, when one or more of the co-owners are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or the ownership interests are divided among so large a number of co-owners that it is not practical for all of their interests to be mortgaged, their interests not exceeding 50 percent may be excluded from the security requirements. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(e) *Possessory rights.* Acceptable forms of ownership include possessory right on an American Indian reservation or State-owned land and the interest of an American Indian in land held severally under trust patents or deeds containing restrictions against alienation, provided that land in trust or restricted status will remain in trust or restricted status.

(f) *Land purchase contract.* A land purchase contract is acceptable if the ap-

plicant is current on all payments, and there is a reasonable likelihood that the applicant will be able to continue meeting the financial obligations of the contract.

(g) *Alternative evidence of ownership.* If evidence, as described in paragraphs (a) through (e) of this section, is not available, RHS may accept any of the following as evidence of ownership:

(1) Records of the local taxing authority that show the applicant as owner and that demonstrate that real estate taxes for the property are paid by the applicant.

(2) Affidavits by others in the community stating that the applicant has occupied the property as the apparent owner for a period of not less than 10 years, and is generally believed to be the owner.

(3) Any instrument, whether or not recorded, which is commonly accepted as evidence of ownership.

§ 3550.108 Security requirements (loans only).

When the total section 504 indebtedness is \$7,500 or more, the property will be secured by a mortgage on the property, leasehold interest, or land purchase contract.

(a) RHS does not require a first lien position, but the total of all debts on the secured property may not exceed the value of the security, except by the amount of any required contributions to an escrow account for taxes and insurance and any required appraisal fee.

(b) Title clearance and the use of legal services generally must be conducted in accordance with 7 CFR part 1927, subpart B. These requirements need not be followed for:

(1) Loans where the total RHS indebtedness is less than \$7,500; or

(2) Subsequent loans made for minimal essential repairs necessary to protect the Government's interest.

§ 3550.109 Escrow account (loans only).

RHS may require that borrowers deposit into an escrow account amounts necessary to ensure that the account will contain sufficient funds to pay real estate taxes, hazard and flood insurance premiums, and other related costs

§ 3550.110

7 CFR Ch. XXXV (1-1-08 Edition)

when they are due in accordance with the Real Estate Settlement and Procedures Act of 1974 (RESPA) and section 501(e) of the Housing Act of 1949, as amended.

§ 3550.110 Insurance (loans only).

(a) *Borrower responsibility.* Until the loan is paid in full, any borrower with a secured indebtedness in excess of \$15,000 must furnish and continually maintain hazard insurance on the security property, with companies, in amounts, and on terms and conditions acceptable to RHS and include a "loss payable clause" payable to RHS to protect the Government's interest.

(b) *Amount.* The dwelling and any other essential buildings must be insured in an amount that is the lesser of 100% of the insurable value of the house or the unpaid principal balance.

(c) *Flood insurance.* Flood insurance must be obtained and maintained for the life of the loan for all property located in Special Flood Hazard Areas (SFHA) as determined by the Federal Emergency Management Agency (FEMA). RHS actions will be consistent with 7 CFR part 1806, subpart B which addresses flood insurance requirements. If flood insurance through FEMA's National Flood Insurance Program is not available in a SFHA, the property is not eligible for federal financial assistance.

(d) *Losses.* (1) Loss deductible clauses for required insurance coverage may not exceed the higher of 1% of the face value of the policy or \$1,000 unless state law requires a higher maximum deductible amount.

(2) Borrowers must immediately notify RHS of any loss or damage to insured property and collect the amount of the loss from the insurance company.

(3) RHS may require that loss payments be supervised. All repairs and replacements done by or under the direction of the borrower, or by contract, will be planned, performed, inspected, and paid for in accordance with 7 CFR part 1924, subpart A.

(4) When insurance funds remain after all repairs, replacements, and other authorized disbursements have been made, the funds will be applied in the following order:

(i) Prior liens, including delinquent property taxes.

(ii) Delinquency on the account.

(iii) Advances due for recoverable cost items.

(iv) Released to the borrower if the RHS debt is adequately secured.

(5) If a loss occurs when insurance is not in force, the borrower is responsible for making the needed repairs or replacements and ensuring that the insurance is reinstated on the property.

(6) If the borrower is not financially able to make the repairs, RHS may take one of the following actions:

(i) Make a subsequent loan for repairs.

(ii) Subordinate the RHS lien to permit the borrower to obtain funds for needed repairs from another source.

(iii) Permit the borrower to obtain funds secured by a junior lien from another source.

(iv) Make a protective advance to protect the Government's interest.

(v) Accelerate the account and demand payment in full.

§ 3550.111 Appraisals (loans only).

An appraisal is required when the section 504 debt to be secured exceeds \$15,000 or whenever RHS determines that it is necessary to establish the adequacy of the security. RHS may charge an appraisal fee. Appraisals must be made in accordance with the Uniform Standards of Professional Appraisal Practices. When other real estate is taken as additional security it will be appraised if it represents a substantial portion of the security for the loan.

§ 3550.112 Maximum loan and grant.

(a) *Maximum loan permitted.* The sum of all outstanding section 504 loans to 1 borrower or on 1 dwelling may not exceed \$20,000.

(1) Transferees who have assumed a section 504 loan and wish to obtain a subsequent section 504 loan are limited to the difference between the unpaid principal balance of the debt assumed and \$20,000.

(2) For a secured loan, the total of all debts on the secured property may not exceed the value of the security, except
