

§ 3550.202

payment moratoriums; and reamortization of the loan.

§ 3550.202 Past due accounts.

An account is past due if the scheduled payment is not received by the due date, or as authorized by State law.

(a) *Late fee.* A late fee will be assessed if the full scheduled payment is not received by the 15th day after the due date.

(b) *Liquidation*—(1) *For borrowers with monthly payments.* The account may be accelerated without further servicing when at least 3 scheduled payments are past due or an amount equal to at least 2 scheduled payments is past due for at least 3 consecutive months. In such cases RHS may pursue voluntary liquidation and foreclosure.

(2) *For borrowers with annual payments.* The account may be accelerated without further servicing when at least $\frac{3}{12}$ of 1 scheduled payment has not been received by its due date. In such cases, RHS may pursue voluntary liquidation and foreclosure.

§ 3550.203 General servicing actions.

Whenever any of the servicing actions described in this subpart result in reamortization of the account RHS may:

(a) Require a borrower who currently makes annual payments, but receives a monthly income, to convert to monthly payments.

(b) Require the creation and funding of an escrow account for real estate taxes and insurance, if one does not already exist for any borrower with monthly payments.

(c) Convert the method of calculating interest for any account being charged daily simple interest to an amortized payment schedule.

§ 3550.204 Payment assistance.

Borrowers who are eligible may be offered payment assistance in accordance with subpart B of this part. Borrowers who are not eligible for payment assistance because the loan was approved before August 1, 1968, or the loan was made on above-moderate or nonprogram (NP) terms, may refinance the loan in order to obtain payment assistance if:

7 CFR Ch. XXXV (1-1-08 Edition)

(a) The borrower is eligible to receive a loan with payment assistance;

(b) Due to circumstances beyond the borrower's control, the borrower is in danger of losing the property; and

(c) The property is program-eligible.

§ 3550.205 Delinquency workout agreements.

Borrowers with past due accounts may be offered the opportunity to avoid liquidation by entering into a delinquency workout agreement that specifies a plan for bringing the account current. To receive a delinquency workout agreement, the following requirements apply:

(a) A borrower who is able to do so will be required to pay the past-due amount in a single payment.

(b) A borrower who is unable to pay the past-due amount in a single payment must pay monthly all scheduled payments plus an agreed upon additional amount that brings the account current within 2 years or the remaining term of the loan, whichever is shorter.

(c) If a borrower becomes more than 30 days past due under the terms of a delinquency workout agreement, RHS may cancel the agreement.

§ 3550.206 Protective advances.

RHS may pay for fees or services and charge the cost against the borrower's account to protect the Government's interest.

(a) *Advances for taxes and insurance.* RHS may advance funds to pay real estate taxes, hazard and flood insurance premiums, and other related costs, as well as amounts needed to fund the current escrow cycle.

(b) *Advances for costs other than taxes and insurance.* Protective advances for costs other than taxes and insurance, such as emergency repairs, will be made only if the borrower cannot obtain a subsequent loan.

(c) *Repayment arrangements.* (1) Advances for borrowers with multiple loans will be charged against the largest loan.

(2) Amounts advanced will be due with the next scheduled payment. RHS may schedule repayment consistent with the borrowers ability to repay or reamortize the loan.

(3) Advances will bear interest at the promissory note rate of the loan to which the advance was charged.

§ 3550.207 Payment moratorium.

RHS may defer a borrowers scheduled payments for up to 2 years. NP borrowers are not eligible for a payment moratorium.

(a) *Borrower eligibility.* For a borrower to be eligible for a moratorium, all of the following conditions must be met:

(1) Due to circumstances beyond the borrower's control, the borrower is temporarily unable to continue making scheduled payments because:

(i) The borrower's repayment income fell by at least 20 percent within the past 12 months;

(ii) The borrower must pay unexpected and unreimbursed expenses resulting from the illness, injury, or death of the borrower or a family member; or

(iii) The borrower must pay unexpected and unreimbursed expenses resulting from damage to the security property in cases where adequate hazard insurance was not available or was prohibitively expensive.

(2) The borrower occupies the dwelling, unless RHS determines that it is uninhabitable.

(3) The borrower's account is not currently accelerated.

(b) *Reviews of borrower eligibility.* (1) Periodically RHS may require the borrower to submit financial information to demonstrate that the moratorium should be continued. The moratorium may be canceled if:

(i) The borrower does not respond to a request for financial information;

(ii) RHS receives information indicating that the moratorium is no longer required; or

(iii) In the case of a moratorium granted to pay unexpected or unreimbursed expenses, the borrower cannot show that an amount at least equal to the deferred payments has been applied toward the expenses.

(2) At least 30 days before the moratorium is scheduled to expire, RHS will require the borrower to provide financial information needed to determine whether the borrower is able to resume making scheduled payments.

(c) *Resumption of scheduled payments.* When the borrower is able to resume scheduled payments, the loan will be reamortized to include the amount deferred during the moratorium and the borrower will be required to escrow. If the new monthly payment, after consideration of the maximum amount of payment subsidy available to the borrower, exceeds the borrower's repayment ability, all or part of the interest that has accrued during the moratorium may be forgiven.

(d) *Borrowers unable to resume scheduled payments.* If even after all appropriate servicing actions have been taken the borrower is unable to resume making scheduled payments after 2 consecutive years of being on a moratorium, the account will be liquidated.

§ 3550.208 Reamortization using promissory note interest rate.

Reamortization using the promissory note interest rate may be authorized when RHS determines that reamortization is required to enable the borrower to meet scheduled obligations, and only if the Government's lien priority is not adversely affected.

(a) *Permitted uses.* Reamortization at the promissory note interest rate may be used to accomplish a variety of servicing actions, including to:

(1) Repay unauthorized assistance due to inaccurate information.

(2) Repay principal and interest accrued and advances made during a moratorium.

(3) Bring current an account under a delinquency workout agreement after the borrower has demonstrated the willingness and ability to meet the terms of the loan and delinquency workout agreement and reamortization is in the borrower's and Government's best interests.

(4) Bring a delinquent account current in the case of an assumption where the due on sale clause is not triggered as described in § 3550.163(c).

(5) Cover the remaining debt when a portion of the security property is being transferred but the acquisition price does not cover the outstanding debt. The remaining balance will be reamortized for a period not to exceed 10 years or the final due date of the note being reamortized, whichever is sooner.
