§ 3550.55 Applications.

(a) *Application submissions.* All persons applying for RHS loans must file a complete written application in a format specified by RHS. Applications will be accepted even when funds are not available.

(b) *Application processing.* (1) Incomplete applications will be returned to the applicant specifying in writing the additional information that is needed to make the application complete.

(2) An applicant may voluntarily withdraw an application at any time.

(3) RHS may periodically request in writing that applicants reconfirm their interest in obtaining a loan. RHS may withdraw the application of any applicant who does not respond within the specified timeframe.

(4) Applicants who are eligible will be notified in writing. If additional information becomes available that indicates that the original eligibility determination may have been incorrect,

or that circumstances have changed, RHS may reconsider the application and the applicant may be required to submit additional information.

(5) Applicants who are ineligible will be notified in writing and provided with the specific reasons for the rejection.

(c) *Selection for processing.* When funding is not sufficient to serve all program-eligible applicants, applications will be selected for processing using the funding priorities specified in this paragraph. Within priority categories, applications will be processed in the order that the completed applications are received. In the case of applications with equivalent priority status that are received on the same day, preference will be extended to applicants qualifying for a veterans preference. After selection for processing, loans are funded on a first-come, first-served basis.

(1) First priority will be given to existing customers who request subsequent loans to correct health and safety hazards.

(2) Second priority will be given to loans related to the sale of an REO property or the transfer of an existing RHS financed property.

(3) Third priority will be given to applicants facing housing related hardships including applicants who have been living in deficient housing for more than 6 months, current homeowners in danger of losing a property through foreclosure, and other circumstances determined by RHS on a case-by-case basis to constitute a hardship.

(4) Fourth priority will be given to applicants seeking loans for the construction of dwellings in an RHS-approved Mutual Self-Help project or loans that will leverage funding or financing from other sources.

(5) Applications from applicants who do not qualify for priority consideration in paragraphs (c)(1), (c)(2), (c)(3), or (c)(4) of this section will be selected for processing after all applications with priority status have been processed.

(d) *Applicant timeframe.* RHS will specify a reasonable timeframe within which eligible applicants selected for

processing must provide the information needed to underwrite the loan.

§ 3550.56 Site requirements.

(a) *Rural areas.* Loans may be made only in rural areas designated by RHS. If an area designation is changed to non-rural:

(2) REO property sales and transfers with assumption may be processed.

(3) Subsequent loans may be made either in conjunction with a transfer with assumption of an RHS loan or to repair properties that have RHS loans.

(b) *Site standards.* Sites must be developed in accordance with 7 CFR part 1924, subpart C and any applicable standards imposed by a State or local government.

(1) The site must not be large enough to subdivide into more than one site under existing local zoning ordinances;

(2) The site must not include farm service buildings, though small out-buildings such as a storage shed may be included; and

An exception may be granted on a case-by-case basis to accommodate the specific needs of an applicant, such as to serve exceptionally large households or to provide reasonable accommodation for a household member with a disability. Any additional loan amount approved must not exceed the

amount required to address the specific need.

(1) *Area-wide exception.* Area-wide exceptions may be granted when RHS determines that the section 203(b) limit is too low to enable applicants to purchase adequate housing.

(2) *Individual exceptions.* Individual exceptions may be granted to accommodate the specific needs of an applicant, such as to serve exceptionally large households or to provide reasonable accommodation for a household member with a disability. Any additional loan amount approved must not exceed the amount required to address the specific need.

(b) *New dwellings.* Construction must meet the requirements in 7 CFR part 1924, subpart A.

(c) *Existing dwellings.* Existing dwellings must be structurally sound; functionally adequate; in good repair, or to be placed in good repair with loan funds; have adequate electrical, heating, plumbing, water, and wastewater disposal systems; be free of termites and other wood damaging pests and organisms; and meet the thermal performance requirements for existing dwellings of 7 CFR part 1924, subpart A.
