(2) REO property sales and transfers with assumption may be processed.

(3) Subsequent loans may be made either in conjunction with a transfer with assumption of an RHS loan or to repair properties that have RHS loans.

(b) *Site standards.* Sites must be developed in accordance with 7 CFR part 1924, subpart C and any applicable standards imposed by a State or local government.

(1) The site must not be large enough to subdivide into more than one site under existing local zoning ordinances;

(2) The site must not include farm service buildings, though small out-buildings such as a storage shed may be included; and

(3) The value of the site must not exceed 30 percent of the as improved market value of the property. The State Director may waive the 30 percent requirement in high cost areas where other lenders permit a higher percentage.

§ 3550.57 Dwelling requirements.

(a) *Modest dwelling.* The property must be one that is considered modest for the area, must not be designed for income producing purposes, must not have an in-ground swimming pool or have a market value in excess of the applicable maximum loan limit, in accordance with § 3550.63, unless RHS authorizes an exception under this paragraph. An exception may be granted on a case-by-case basis to accommodate the specific needs of an applicant, such as to serve exceptionally large households or to provide reasonable accommodation for a household member with a disability. Any additional loan amount approved must not exceed the

EFFECTIVE DATE NOTE: At 72 FR 70222, Dec. 11, 2007, § 3550.57 was amended in paragraph (c) by adding the word "and" after the word "systems;" and by removing "and meet the thermal performance requirements for existing dwellings of 7 CFR part 1924, subpart A", effective Jan. 10, 2008.

§ 3550.58 Ownership requirements.

After the loan is closed, the borrower must have an acceptable interest in the property as evidenced by one of the following.

(a) *Fee-simple ownership.* Acceptable fee-simple ownership is evidenced by a fully marketable title with a deed vesting a fee-simple interest in the property to the borrower.

(b) *Secure leasehold interest.* A written lease is required. To be acceptable, a leasehold interest must have an unexpired term that is at least 150 percent of the term of the mortgage, unless the loan is guaranteed, in which case the unexpired term of the lease must be at least 2 years longer than the loan term.

§ 3550.59

7 CFR Ch. XXXV (1-1-08 Edition)

In no case may the unexpired term be less than 25 years.

(c) *Life estate interest.* To be acceptable a life estate interest must provide the borrower with rights of present possession, control, and beneficial use of the property. Generally, persons with any remainder interests must be signatories to the mortgage. All of the remainder interests need not be included in the mortgage to the extent that one or more of the persons holding remainder interests are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or if the remainder interests are divided among such a large number of people that it is not practical to obtain the signatures of all of the remainder interests. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(d) *Undivided interest.* All legally competent co-owners will be required to sign the mortgage. When one or more of the co-owners are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or the ownership interests are divided among so large a number of co-owners that it is not practical for all of their interests to be mortgaged, their interests not exceeding 50 percent may be excluded from the security requirements. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(e) *Possessory rights.* Acceptable forms of ownership include possessory rights on an American Indian reservation or State-owned land and the interest of an American Indian in land held in severalty under trust patents or deeds containing restrictions against alienation, provided that land in trust or restricted status will remain in trust or restricted status.

§ 3550.59 Security requirements.

Before approving any loan, RHS will impose requirements to secure its interests.

(a) *Adequate security.* A loan will be considered adequately secured only

when all of the following requirements are met:

(1) RHS obtains at closing a mortgage on all ownership interests in the security property or the requirements of § 3550.58 are satisfied.

(2) No liens prior to the RHS mortgage exist at the time of closing and no junior liens are likely to be taken immediately subsequent to or at the time of closing, unless the other liens are taken as part of a leveraging strategy or the RHS loan is essential for repairs and the senior lien secures an affordable non-RHS loan. Liens junior to the RHS lien may be allowed at loan closing if the junior lien will not interfere with the purpose or repayment of the RHS loan. When the junior lien involves a grant or a forgivable affordable housing product, the total debt may exceed the market value by the amount of the forgivable loan or grant up to 5 percent.

(3) The provisions of 7 CFR part 1927, subpart B regarding title clearance and the use of legal services have been followed.

(4) Existing and proposed property improvements are totally on the site and do not encroach on adjoining property.

(b) *Guaranteed payment.* Mortgage insurance guaranteeing payment from a Government agency or Indian tribe is adequate security.
