

§ 3550.59

7 CFR Ch. XXXV (1-1-08 Edition)

In no case may the unexpired term be less than 25 years.

(c) *Life estate interest.* To be acceptable a life estate interest must provide the borrower with rights of present possession, control, and beneficial use of the property. Generally, persons with any remainder interests must be signatories to the mortgage. All of the remainder interests need not be included in the mortgage to the extent that one or more of the persons holding remainder interests are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or if the remainder interests are divided among such a large number of people that it is not practical to obtain the signatures of all of the remainder interests. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(d) *Undivided interest.* All legally competent co-owners will be required to sign the mortgage. When one or more of the co-owners are not legally competent (and there is no representative who can legally consent to the mortgage), cannot be located, or the ownership interests are divided among so large a number of co-owners that it is not practical for all of their interests to be mortgaged, their interests not exceeding 50 percent may be excluded from the security requirements. In such cases, the loan may not exceed the value of the property interests owned by the persons executing the mortgage.

(e) *Possessory rights.* Acceptable forms of ownership include possessory rights on an American Indian reservation or State-owned land and the interest of an American Indian in land held in severalty under trust patents or deeds containing restrictions against alienation, provided that land in trust or restricted status will remain in trust or restricted status.

§ 3550.59 Security requirements.

Before approving any loan, RHS will impose requirements to secure its interests.

(a) *Adequate security.* A loan will be considered adequately secured only

when all of the following requirements are met:

(1) RHS obtains at closing a mortgage on all ownership interests in the security property or the requirements of § 3550.58 are satisfied.

(2) No liens prior to the RHS mortgage exist at the time of closing and no junior liens are likely to be taken immediately subsequent to or at the time of closing, unless the other liens are taken as part of a leveraging strategy or the RHS loan is essential for repairs and the senior lien secures an affordable non-RHS loan. Liens junior to the RHS lien may be allowed at loan closing if the junior lien will not interfere with the purpose or repayment of the RHS loan. When the junior lien involves a grant or a forgivable affordable housing product, the total debt may exceed the market value by the amount of the forgivable loan or grant up to 5 percent.

(3) The provisions of 7 CFR part 1927, subpart B regarding title clearance and the use of legal services have been followed.

(4) Existing and proposed property improvements are totally on the site and do not encroach on adjoining property.

(b) *Guaranteed payment.* Mortgage insurance guaranteeing payment from a Government agency or Indian tribe is adequate security.
