

(g) *Priorities and preferences for admission.* (1) Eligible applicants that meet the following conditions must be given priority for occupancy over all other tenants regardless of income. Such applicants, however, will be ranked among themselves by income level, giving priority first to very low-income households, then to low-income households, and finally to moderate-income households.

(i) Persons who require the special design features of a unit accessible to individuals with disabilities will have priority only for units with these features.

(ii) In congregate housing facilities, persons who agree to use the services provided by the facility will have priority over other applicants.

(2) Eligible applicants that meet any of the following conditions must be given priority over other applicants in their same income category.

(i) The applicant has a Letter of Priority Entitlement (LOPE) issued in accordance with § 3560.660(c).

(ii) The applicant was displaced from Agency-financed housing but was not issued a LOPE.

(iii) The applicant was displaced in a Federally declared disaster area.

(3) Borrowers receiving Section 8 project-based assistance may establish preferences in accordance with U.S. Department of Housing and Urban Development (HUD) regulations. The use of such preferences must be documented in the project's management plan.

(h) *Notices of ineligibility or rejection.* Borrowers must provide written notification to applicants who are determined to be ineligible or who are rejected for occupancy. Notices of ineligibility or rejection must give specific reasons for the ineligibility determination or rejection and, in accordance with § 3560.160, the notice must advise the applicant of "the right to respond to the notice within ten calendar days after receipt" and of "the right to a hearing in accordance with § 3560.160 which is available upon request." When an applicant is rejected based on the information from a credit bureau report, the source of the credit bureau report must be revealed to the applicant in accordance with the Fair Credit Reporting Act.

(i) *Purging waiting list.* Procedures used by borrowers to purge waiting list must be documented in the project's management plan and must be based on the length of the waiting list or the extent of time an applicant will be expected to wait for housing. At a minimum, borrowers must document removal of any names from the waiting list with the time and date of the removal. If an electronic waiting list is used, borrowers must periodically print out electronic waiting lists or preserve backup copies showing how the waiting list appeared before and after the removal of each name.

(j) *Criminal activity.* Borrowers may deny admission for criminal activity or alcohol abuse by household members in accordance with the provisions of 24 CFR 5.854, 5.855, 5.856, and 5.857.

**§ 3560.155 Assignment of rental units and occupancy policies.**

(a) *General.* Available rental units are assigned in accordance with the requirements of this section and the priorities and preferences outlined in § 3560.154.

(b) *Rental units accessible to individuals with disabilities.* If a rental unit accessible to individuals with disabilities is available and there are no applicants that require the features of the unit, borrowers may rent the unit to a non-disabled tenant subject to the inclusion of a lease provision that requires the tenant to vacate the unit within 30 days of notification from management that an eligible individual with disabilities requires the unit and provided the accessible unit has been marketed as an accessible unit, outreach has been made to organizations representing the disabled, and marketing of the unit as an accessible unit continues after it has been rented to a tenant who is not in need of the special design features.

(c) *Transfer of existing tenants within a housing project.* When a rental unit becomes available for occupancy and an eligible tenant in the housing project is either over housed or under housed as

provided for in paragraph (e) of this section, the borrower must use the available unit for the over housed or under housed tenant, if suitable, prior to selecting an eligible applicant from the waiting list.

(d) *Applicant placement.* When a specific rental unit type becomes available for occupancy, borrowers must select eligible applicants suitable for the available unit according to the priorities established in § 3560.154.

(e) *Occupancy policies.* Borrowers must establish occupancy policies for each housing project. Households living in a rental unit with more bedrooms than persons in the household will be considered over housed and must be relocated in accordance with paragraph (c) of this section. Households under housed as defined by the project's occupancy standards must be relocated in accordance with paragraph (c) of this section. Borrowers with no one-bedroom units in a housing project may make an exception to this requirement in their occupancy policies. In addition, a borrower's occupancy policies must establish:

(1) Reasonable standards for determining when a tenant household is considered under housed. The standards will describe the maximum number of persons that may occupy units of a given size based on occupancy guidelines provided by the Agency or another governmental source;

(2) The order in which eligible applicants and existing tenants will be housed or re-housed; and

(3) How fair housing requirements will be met, including how reasonable accommodations will be made for applicants and tenants with disabilities.

(f) *Agency concurrence.* The Agency must concur with a borrower's occupancy rules prior to initial occupancy of the housing project. All modifications to occupancy rules must be posted for tenant comment in accordance with § 3560.160 and receive Agency concurrence prior to implementation.

#### § 3560.156 Lease requirements.

(a) *Agency approval.* Borrowers must use a lease approved by the Agency. The lease must be consistent with Agency requirements and the requirements of all programs participating in

the housing project. Prior to submitting the lease to the Agency for approval, borrowers must have their attorney certify that the lease complies with state and local laws, Agency requirements, and the requirements of all programs participating in the housing project. If there are conflicting requirements the borrower shall notify the Agency of the conflict and request guidance. Borrowers must execute their Agency approved lease with each tenant household prior to tenant occupancy of a rental unit.

(b) *Lease requirements.* (1) All leases must be in writing.

(2) Initial leases must be for a 1-year period.

(2) Leases must contain a clause permitting escalation in the tenant contribution when there is an Agency-approved change in basic or note rate rents prior to the expiration of the lease. The escalation clause also must specify that the tenant contribution may be changed prior to expiration of the lease if the change is due to changes in tenant status, as documented on the tenant certification form, or the tenant's failure to properly recertify.

(3) Leases must specify that no change in the tenant contribution will
