

default. The lender must provide the Agency with an accounting of all proposed and actual actions taken to cure the default. The lender must certify that all reasonable efforts to cure the default have been exhausted. Where the lender fails to comply with the terms of the loan guarantee agreement and the corresponding regulations and guidance with regard to liquidating the property, the Agency, at its option, may take possession of the security collateral and dispose of the property.

(b) *Due diligence by lender.* For all loan servicing actions where a market, net recovery or liquidation value determination is required, guaranteed lenders shall perform due diligence in conjunction with the appraisal and submit it to the Agency for review. The Phase I Environmental Site Assessment published by the American Society of Testing and Materials is considered an acceptable format for due diligence.

(c) *Environmental review.* The Agency is required to complete an environmental review under the National Environmental Policy Act, in accordance with 7 CFR part 1940, subpart G or a successor regulation, prior to disposition of inventory property, if title is held by the Agency, and prior to any authorization to the guaranteed lender to foreclose and dispose of property, and for any other servicing action requiring Agency approval or consent.

§ 3565.452 Decision to liquidate.

(a) A decision to liquidate shall be made when it is determined that the default cannot be cured through actions contained in § 3565.403 or it has been determined that it is in the best interest of the Agency and the lender to liquidate. For interest accrual purposes, interest will accrue for 90 calendar days after the date the liquidation plan is approved by the Agency. If within 20 calendar days of the Agency's receipt of the liquidation plan, the Agency fails to respond to the lender's proposal or advise the lender to make revisions to the plan that was submitted, the liquidation plan will be approved by default, and the 90 calendar day period for interest accrual will commence.

(b) In the event of a default involving a loan to an Indian tribe or tribal cor-

poration made under this section which is secured by an interest in land within such tribe's reservation (as determined by the Secretary of the Interior), including a community in Alaska incorporated by the Secretary of the Interior pursuant to the Indian Reorganization Act (25 U.S.C. 461 *et seq.*), the lender shall only pursue liquidation after offering to transfer the account to an eligible tribal member, the tribe, or the Indian housing authority serving the tribe. If the lender subsequently proceeds to liquidate the account, the lender shall not sell, transfer, or otherwise dispose of or alienate the property except to one of the entities described in the preceding sentence.
