## § 4284.600

United States and vertical linkages to domestic and international markets.

(e) *Commitment.* The Agency will evaluate the applicant's commitment to providing technical assistance and other services to underserved and economically distressed areas in rural areas of the United States.

(f) *Matching Funds.* All applicants must demonstrate Matching Funds equal to at least 25 percent (5 percent for 1994 Institutions) of the grant amount requested. Applications exceeding these minimum commitment levels will receive more points.

(g) *Delivery.* The Agency will evaluate whether the Center has a track record in providing technical assistance in rural areas and accomplishing effective outcomes in cooperative development. The Center's potential for delivering effective cooperative development assistance, the expected effects of that assistance, the sustainability of cooperative organizations receiving the assistance, and the transferability of the Center's cooperative development strategy and focus to other States will also be assessed.

(h) *Work Plan/Budget.* The work plan will be reviewed for detailed actions and an accompanying timetable for implementing the proposal. Clear, logical, realistic and efficient plans will result in a higher score. Budgets will be reviewed for completeness and the quality of non Federal funding commitments.

(i) *Qualifications of those Performing the Tasks.* The application will be evaluated to determine if the personnel expected to perform key center tasks have a track record of positive solutions for complex Cooperative development or marketing problems, or a successful record of conducting accurate feasibility studies, business plans, marketing analysis, or other activities relevant to Cooperative development center success.

(j) *Local support.* Applications will be reviewed for previous and expected local support for the Center, plans for coordinating with other developmental organizations in the proposed service area and coordination with state and local institutions. Support documentation should include recognition of rural values that balance employment oppor-

tunities with environmental stewardship and other positive rural amenities. Centers that demonstrate strong support from potential beneficiaries and formal evidence of the Center's intent to coordinate with other developmental organizations will receive more points than those not evidencing such support and formal intent.

(k) *Future support.* Applications that demonstrate their vision for funding center operations for future years, including diversification of funding sources and building in-house technical assistance capacity, will receive more points for this criterion.

### § 4284.514 Grant closing.

(a) *Letter of Conditions.* The Agency will notify an approved applicant in writing, setting out the conditions under which the grant will be made.

(b) *Applicant's intent to meet conditions.* Upon reviewing the conditions and requirements in the letter of conditions, the applicant must complete, sign and return the Agency's "Letter of Intent to Meet Conditions," or, if certain conditions cannot be met, the applicant may propose alternate conditions to the Agency. The Agency must concur with any changes proposed to the letter of conditions by the applicant before the application will be further processed.

(c) *Grant agreement.* The Agency and the grantee must enter into the Agency's "Agriculture Innovation Center Grant Agreement" prior to the advance of funds.
