and to each producer and handler who files a request therefor. Copies of all such reports shall be maintained in the office of the committee where they shall be available for examination by producers and handlers.

[22 FR 10734, Dec. 27, 1957. Redesignated at 26 FR 12751, Dec. 30, 1961, and amended at 30 FR 13934, Nov. 4, 1965; 42 FR 59371, Nov. 17, 1977]

§ 905.51 Recommendations for regulation.

(a) Whenever the committee deems it advisable to regulate any variety in the manner provided in § 905.52, it shall give due consideration to the following factors relating to the citrus fruit produced in Florida and in other States: (1) Market prices, including prices by grades and sizes of the fruit for which regulation is recommended; (2) maturity, condition, and available supply, including the grade and size thereof in the producing areas; (3) other pertinent market information; and (4) the level and trend in consumer income. The committee shall submit to the Secretary its recommendations and supporting information respecting the factors enumerated in this section.

(b) The committee shall give notice of any meeting to consider the recommendation of regulations pursuant to § 905.52 by mailing a notice of meeting to each handler who has filed his address with committee for this purpose. The committee shall give the same notice of any such recommendation before the time it is recommended that such regulation become effective.

§ 905.52 Issuance of regulations.

(a) Whenever the Secretary shall find from the recommendations and reports of the committee, or from other available information, that to limit the shipment of any variety would tend to effectuate the declared policy of the act, he shall so limit the shipment of such variety during a specified period or periods. Such regulations may:

(1) Limit the shipments of any grade or size, or both, of any variety, in any manner as may be prescribed, and any such limitation may provide that shipments of any variety grown in Regulation Area II shall be limited to grades

and sizes different from the grade and size limitations applicable to shipments of the same varieties grown in Regulation Area I: *Provided*, That whenever any such grade or size limitation restricts the shipment of a portion of a specified grade or size of a variety the quantity of such grade or size that may be shipped by a handler during a particular week shall be established as a percentage of the total shipments of such variety by such handler in such prior period established by the committee with the approval of the Secretary, in which he shipped such variety.

(2) Limit the shipment of any variety by establishing and maintaining, only in terms of grades or sizes, or both, minimum standards of quality and maturity;

(3) Limit the shipment of the total quantity of any variety by prohibiting the shipment thereof: *Provided*, that no such prohibition shall apply to exports or be effective during any fiscal period with respect to any variety other than for one period not exceeding five days during the week in which Thanksgiving Day occurs, and for not more than two periods not exceeding a total of 14 days during the period December 20 to January 20, both dates inclusive.

(4) Provide that exports of any variety shall be limited to grades and sizes different from the grade and size limitations applicable to shipments of such variety in the 48 contiguous States and the District of Columbia of the United States, and specify condition requirements for such variety; and

(5) Fix the size, capacity, weight, dimensions, marking, or pack of the container or containers which may be used in the shipment of fruit for export: *Provided*, that such regulation shall not authorize the use of any container which is prohibited for use for fruit under the provisions of Chapter 601 of the Florida Statutes and regulations effective thereunder.

(b) Prior to the beginning of any such regulations, the Secretary shall notify the committee of the regulation issued by him, and the committee shall notify all handlers by mailing a copy thereof
