## § 929.56

such excess quantity credited toward the next fiscal year's withholding obligation, if any—provided that such credit shall be applicable only if the restricted percentage established pursuant to § 929.52 was modified pursuant to § 929.53; to the extent such excess was disposed of prior to such modification; and after such handler furnishes the committee with such information as it prescribes regarding such withholding and disposition.

(e) The Committee, with the approval of the Secretary, may establish rules and regulations necessary and incidental to the administration of this section.

### § 929.55 Interhandler transfer.

(a) Transfer of cranberries from one handler to another may be made without prior notice to the committee, except during a period when a volume regulation has been established. If such transfer is made between handlers who have packing or processing facilities located within the production area, the assessment and withholding obligations provided under this part shall be assumed by the handler who agrees to meet such obligation. If such transfer is to a handler whose packing or processing facilities are outside of the production area, such assessment and withholding obligation shall be met by the handler residing within the production area.

(b) All handlers shall report all such transfers to the committee on a form provided by the committee four times a year or at other such times as may be recommended by the committee and approved by the Secretary.

(c) The committee may establish, with the approval of the Secretary, rules and regulations necessary for the implementation and operation of this section.

### § 929.56 Special provisions relating to withheld (restricted) cranberries.

(a) A handler shall make a written request to the committee for the release of all or part of the cranberries that the handler is withholding from

handling pursuant to § 929.54(a). Each request shall state the quantity of cranberries for which release is requested and shall provide such additional information as the committee may require. Handlers may replace the quantity of withheld cranberries requested for release as provided under either paragraph (b) or (c) of this section.

(b) The handler may contract with another handler for an amount of free cranberries to be converted to restricted cranberries that is equal to the volume of cranberries that the handler wishes to have converted from his own restricted cranberries to free cranberries.

(1) The handlers involved in such an agreement shall provide the committee with such information as may be requested prior to the release of any restricted cranberries.

(2) The committee shall establish guidelines to ensure that all necessary documentation is provided to the committee, including but not limited to, the amount of cranberries being converted and the identities of the handlers assuming the responsibility for withholding and disposing of the free cranberries being converted to restricted cranberries.

(3) Cranberries converted to replace released cranberries may be required to be inspected and meet such standards as may be prescribed for withheld cranberries prior to disposal.

(4) Transactions and agreements negotiated between handlers shall include all costs associated with such transactions including the purchase of the free cranberries to be converted to restricted cranberries and all costs associated with inspection (if applicable) and disposal of such restricted cranberries. No costs shall be incurred by the committee other than for the normal activities associated with the implementation and operation of a volume regulation program.

(5) Free cranberries belonging to one handler and converted to restricted cranberries on the behalf of another handler shall be reported to the committee in such manner as prescribed by the committee.

(c) Except as otherwise directed by the Secretary, as near as practicable to
