

**§ 932.159**

**7 CFR Ch. IX (1-1-08 Edition)**

it finds that the required information is incomplete or incorrect, or has reason to believe that the intended receiver is not a charitable organization, or that the handler or the organization has disposed of packaged olives contrary to a previously approved application. The committee shall notify the applicant and the organization in writing of its approval, or denial, of the application. Any such approval shall continue in effect so long as the packaged olives covered thereby are disposed of consistent with this section. The committee shall notify the handler and the organization of each such termination of approval. The handler shall furnish the committee, upon demand, such evidence of disposition of the packaged olives covered by an approved application as may be satisfactory to the committee.

(b) In accordance with the provisions of § 932.55(b), packaged olives to be used in marketing development projects may be handled without regard to § 932.149 provided the following conditions are met. Such olives must be identified to the satisfaction of the Inspection Service and kept separate from other packaged olives. The handler shall submit to the committee for its approval "COC Form 155" at least 10 working days prior to the shipment of such packaged olives to test markets, and report progress or changes to the committee, as requested. The applicant handler shall provide the following information on COC Form 155:

- (1) The quantity of olives to be utilized (limited to not more than five percent of the handler's crop year acquisitions);
- (2) Specific market outlet;
- (3) Flavorings or other ingredients added to the olives;
- (4) Style of olives used;
- (5) Type of olives used, either black or green ripe;
- (6) Container sizes;
- (7) Varieties used, whether Ascolano, Barouni, Manzanillo, Mission, Sevillano, etc.;
- (8) Sizes of olives utilized;
- (9) Approximate dates when the new product will be packaged;
- (10) Name and address of requesting handler;
- (11) Place of inspection;

(12) Certification that all assessment and reporting requirements in effect under the marketing order will be met prior to shipment;

(13) Certification that all such fruit will be kept separate from other packaged olives and will be so identified by control cards or other means acceptable to the Inspection Service;

(14) Purpose and nature of the request, whether for test marketing, evaluation, market research, etc.; and

(15) An estimate of the amount of time required to complete the test. The committee shall promptly approve or deny the application, and may add limitations to any such approval. Upon approval, the applicant handler shall notify the Inspection Service. Packaged olives so identified and remaining unused at the end of the approved test-market period shall be disposed of according to paragraph (a) of this section.

(c) In accordance with the provisions of § 932.55(b), any handler may use processed olives in the production of packaged olives for repackaging, and ship packaged olives for repackaging, if the packaged olives meet the minimum quality requirements, except for the requirement that the packaged olives possess a reasonably good flavor: *Provided*, That the failure to possess a reasonably good flavor is due only to excessive sodium chloride.
