

**§ 983.35**

**7 CFR Ch. IX (1-1-08 Edition)**

shall require at least seven concurring votes of the voting members regarding any recommendation to the Secretary for adoption or change in:

- (1) Minimum quality levels;
- (2) Aflatoxin levels;
- (3) Inspection programs;
- (4) The establishment of the committee.

(b) *Voting.* Members of the committee may participate in a meeting by attendance in person or through the use of a conference telephone or similar communication equipment, as long as all members participating in such a meeting can communicate with one another. An action required or permitted to be taken by the committee may be taken without a meeting, if all members of the committee shall consent in writing to that action.

(c) *Compensation.* The members of the committee and their alternates shall serve without compensation, but members and alternates acting as members shall be allowed their necessary expenses: *Provided*, That the committee may request the attendance of one or more alternates not acting as members at any meeting of the committee, and such alternates may be allowed their necessary expenses; and, *Provided further*, That the public member and the alternate for the public member may be paid reasonable compensation in addition to necessary expenses.

**§ 983.35 Powers.**

The committee shall have the following powers:

- (a) To administer the provisions of this part in accordance with its terms;
- (b) To make and adopt bylaws, rules and regulations to effectuate the terms and provisions of this part with the approval of the Secretary;
- (c) To receive, investigate, and report to the Secretary complaints of violations of this part; and
- (d) To recommend to the Secretary amendments to this part.

**§ 983.36 Duties.**

The committee shall have, among others, the following duties:

- (a) To adopt bylaws and rules for the conduct of its meetings and the selection of such officers from among its membership, including a chairperson

and vice-chairperson, as may be necessary, and define the duties of such officers; and adopt such other bylaws, regulations and rules as may be necessary to accomplish the purposes of the Act and the efficient administration of this part;

(b) To employ or contract with such persons or agents as the committee deems necessary and to determine the duties and compensation of such persons or agents;

(c) To select such subcommittees as may be necessary;

(d) To submit to the Secretary a budget for each fiscal period, prior to the beginning of such period, including a report explaining the items appearing therein and a recommendation as to the rate of assessments for such period;

(e) To keep minutes, books, and records which will reflect all of the acts and transactions of the committee and which shall be subject to examination by the Secretary;

(f) To prepare periodic statements of the financial operations of the committee and to make copies of each statement available to producers and handlers for examination at the office of the committee;

(g) To cause its financial statements to be audited by a certified public accountant at least once each fiscal year and at such times as the Secretary may request. Such audit shall include an examination of the receipt of assessments and the disbursement of all funds. The committee shall provide the Secretary with a copy of all audits and shall make copies of such audits, after the removal of any confidential individual or handler information that may be contained in them, available for examination at the offices of the committee;

(h) To act as intermediary between the Secretary and any producer or handler with respect to the operations of this part;

(i) To investigate and assemble data on the growing, handling, shipping and marketing conditions with respect to pistachios;

(j) To apprise the Secretary of all committee meetings in a timely manner;

## Agricultural Marketing Service, USDA

## § 983.38

(k) To submit to the Secretary such available information as the Secretary may request;

(l) To investigate compliance with the provisions of this part;

(m) To provide, through communication to producers and handlers, information regarding the activities of the committee and to respond to industry inquiries about committee activities;

(n) To oversee the collection of assessments levied under this part;

(o) To borrow such funds, subject to the approval of the Secretary and not to exceed the expected expenses of one fiscal year, as are necessary for administering its responsibilities and obligations under this part.

### MARKETING POLICY

#### § 983.37 Marketing policy.

Prior to August 1st each year, the committee shall prepare and submit to the Secretary a report setting forth its recommended marketing policy covering quality regulations for the pending crop. In the event it becomes advisable to modify such policy, because of changed crop conditions, the committee shall formulate a new policy and shall submit a report thereon to the Secretary. In developing the marketing policy, the committee shall give consideration to the production, harvesting, processing and storage conditions of that crop. The committee may also give consideration to current prices being received and the probable general level of prices to be received for pistachios by producers and handlers. Notice of the committee's marketing policy, and of any modifications thereof, shall be given promptly by reasonable publicity, to producers and handlers.

### REGULATIONS

#### § 983.38 Aflatoxin levels.

(a) *Maximum level.* No handler shall ship for domestic human consumption, pistachios that exceed an aflatoxin level of more than 15 ppb. All shipments must also be covered by an aflatoxin inspection certificate. Pistachios that fail to meet the aflatoxin requirements shall be disposed in such

manner as described in Failed lots/rework procedure of this part.

(b) *Change in level.* The committee may recommend to the Secretary changes in the aflatoxin level specified in this section. If the Secretary finds on the basis of such recommendation or other information that such an adjustment of the aflatoxin level would tend to effectuate the declared policy of the Act, such change shall be made accordingly.

(c) *Transfers between handlers.* Transfers between handlers within the production area are exempt from the aflatoxin regulation of this section.

(d) *Aflatoxin testing procedures.* To obtain an aflatoxin inspection certificate, each lot to be certified shall be uniquely identified, be traceable from testing through shipment by the handler and be subjected to the following:

(1) *Samples for testing.* Prior to testing, a sample shall be drawn from each lot and divided between those pistachios for aflatoxin testing and those for minimum quality testing ("lot samples") in sufficient weight to comply with Table 1, Table 2 and Table 4 of this part.

(2) *Test samples for aflatoxin.* Prior to submission of samples to an accredited laboratory for aflatoxin analysis, three samples shall be created equally from the pistachios designated for aflatoxin testing in compliance with the requirements of Tables 1 and 2 of this paragraph (d)(2) ("test samples"). The test samples shall be prepared by, or under the supervision of, an inspector, or as approved under an alternative USDA-recognized inspection program. The test samples shall be designated by an inspector as Test Sample #1, Test Sample #2, and Test Sample #3. Each sample shall be placed in a suitable container, with the lot number clearly identified, and then submitted to an accredited laboratory. The gross weight of the inshell lot sample for aflatoxin testing and the number of samplings required are shown in the following Table 1. The gross weight of the kernel lot sample for aflatoxin testing and the number of incremental samples required is shown in the following Table 2 of this paragraph.
