

(j) *Immigrant classification and assignment of priority date.* Public Law 102–404 provides eligible applicants with automatic classifications as immigrants under section 203(b)(3)(A)(i) of the Act. No immigrant visa petition is required and applicants need not meet the usual requirements for classification as skilled workers. The applicant's priority date shall be the date his or her application for adjustment of status under Public Law 102–404 is properly filed with the Service.

(k) *Effect of immigrant visa number limitations.* Eligible Public Law 102–404 applicants are exempt from the per-country immigrant visa number limitations of section 202(a)(2) of the Act. Eligible Public Law 102–404 applicants may file an application for adjustment of status under Public Law 102–404 without regard to immigrant visa number limitations of sections 202(a)(2) and 203(b)(3)(A)(i) of the Act. However, the adjustment of status application may not be approved and adjustment of status to that of a lawful permanent resident of the United States may not be granted until a visa number becomes available for the applicant under the worldwide allocation of immigrant visa numbers for employment-based aliens under section 203(b)(3)(A)(i) of the Act. The applicant may request initial or continued employment authorization during this period by filing Form I-765, Application for Employment Authorization. If the applicant needs to travel outside the United States during this period, he or she may file a request for advance parole on Form I-131, Application for Travel Document.

(l) *Decision.* In the case of an application for adjustment of status filed pursuant to the provisions of Public Law 102–404, the authority conferred upon district directors in 8 CFR part 1245 to accept and adjudicate an application for adjustment of status under section 245 of the Act is delegated exclusively to the service center director having jurisdiction over the applicant's place of residence in the United States. If the service center director transfers the application to the district director, authority to adjudicate an application for adjustment of status filed pursuant to the provisions of Public Law 102–404 lies with the district director having

jurisdiction over the applicant's place of residence.

(m) *Effect of enactment on family members other than qualified family members.* The adjustment of status benefits and waivers provided by Public Law 102–404 do not apply to a spouse or child who is not a qualified family member as defined in paragraph (c) of this section. However, a spouse or child whose relationship to the principal alien was established prior to the approval of the principal's adjustment-of-status application may be accorded the derivative priority date and preference category of the principal alien, in accordance with the provisions of section 203(d) of the Act. The spouse or child may use the priority date and category when it becomes current, in accordance with the limitations set forth in sections 201 and 202 of the Act.

**§ 1245.10 Adjustment of status upon payment of additional sum under section 245(i).**

(a) *Definitions.* As used in this section the term:

(1)(i) *Grandfathered alien* means an alien who is the beneficiary (including a spouse or child of the alien beneficiary if eligible to receive a visa under section 203(d) of the Act) of:

(A) A petition for classification under section 204 of the Act which was properly filed with the Attorney General on or before April 30, 2001, and which was approvable when filed; or

(B) An application for labor certification under section 212(a)(5)(A) of the Act that was properly filed pursuant to the regulations of the Secretary of Labor on or before April 30, 2001, and which was approvable when filed.

(ii) If the qualifying visa petition or application for labor certification was filed after January 14, 1998, the alien must have been physically present in the United States on December 21, 2000. This requirement does not apply with respect to a spouse or child accompanying or following to join a principal alien who is a grandfathered alien as described in this section.

(2) *Properly filed* means:

(i) With respect to a qualifying immigrant visa petition, that the application was physically received by the Service on or before April 30, 2001, or if mailed, was postmarked on or before April 30, 2001, and accepted for filing as provided in §103.2(a)(1) and (a)(2) of 8 CFR chapter ; and

(ii) With respect to a qualifying application for labor certification, that the application was properly filed and accepted pursuant to the regulations of the Secretary of Labor, 20 CFR 656.21.

(3) *Approvable when filed* means that, as of the date of the filing of the qualifying immigrant visa petition under section 204 of the Act or qualifying application for labor certification, the qualifying petition or application was properly filed, meritorious in fact, and non-frivolous (“frivolous” being defined herein as patently without substance). This determination will be made based on the circumstances that existed at the time the qualifying petition or application was filed. A visa petition that was properly filed on or before April 30, 2001, and was approvable when filed, but was later withdrawn, denied, or revoked due to circumstances that have arisen after the time of filing, will preserve the alien beneficiary’s grandfathered status if the alien is otherwise eligible to file an application for adjustment of status under section 245(i) of the Act.

(4) *Circumstances that have arisen after the time of filing* means circumstances similar to those outlined in §1205.1(a)(3)(i) or (a)(3)(ii) of this chapter.

(b) *Eligibility.* An alien who is included in the categories of restricted aliens under §1245.1(b) and meets the definition of a “grandfathered alien” may apply for adjustment of status under section 245 of the Act if the alien meets the requirements of paragraphs (b)(1) through (b)(7) of this section:

(1) Is physically present in the United States;

(2) Is eligible for immigrant classification and has an immigrant visa number immediately available at the time of filing for adjustment of status;

(3) Is not inadmissible from the United States under any provision of section 212 of the Act, or all grounds for inadmissibility have been waived;

(4) Properly files Form I-485, Application to Register Permanent Residence or Adjust Status on or after October 1, 1994, with the required fee for that application;

(5) Properly files Supplement A to Form I-485 on or after October 1, 1994;

(6) Pays an additional sum of \$1,000, unless payment of the additional sum is not required under section 245(i) of the Act; and

(7) Will adjust status under section 245 of the Act to that of lawful permanent resident of the United States on or after October 1, 1994.

(c) *Payment of additional sum.* An adjustment applicant filing under the provisions of section 245(i) of the Act must pay the standard adjustment application filing fee as specified in §103.7(b)(1) of this chapter. Each application submitted under the provisions of section 245(i) of the Act must be submitted with an additional sum of \$1,000. An applicant must submit the additional sum of \$1,000 only once per application for adjustment of status submitted under the provisions of section 245(i) of the Act. However, an applicant filing under the provisions of section 245(i) of the Act is not required to pay the additional sum if, at the time the application for adjustment of status is filed, the alien is:

(1) Unmarried and less than 17 years of age;

(2) The spouse of a legalized alien, qualifies for and has properly filed Form I-817, Application for Voluntary Departure under the Family Unity Program, and submits a copy of his or her receipt or approval notice for filing Form I-817; or

(3) The child of a legalized alien, is unmarried and less than 21 years of age, qualifies for and has filed Form I-817, and submits a copy of his or her receipt or approval notice for filing Form I-817. Such an alien must pay the additional sum if he or she has reached the age of 21 years at the time of filing for adjustment of status. Such an alien must meet all other conditions for adjustment of status contained in the Act and in this chapter.

(d) *Pending adjustment application with the Service or Executive Office for Immigration Review filed without Supplement A to Form I-485 and additional sum.*

An alien who filed an adjustment of status application with the Service in accordance with §103.2 of 8 CFR chapter I will be allowed the opportunity to amend such an application to request consideration under the provisions of section 245(i) of the Act, if it appears that the alien is not otherwise ineligible for adjustment of status. The Service shall notify the applicant in writing of the Service's intent to deny the adjustment of status application, and any other requests for benefits that derive from the adjustment application, unless Supplement A to Form I-485 and any required additional sum is filed within 30 days of the date of the notice. If the application for adjustment of status is pending before the Executive Office for Immigration Review (EOIR), EOIR will allow the respondent an opportunity to amend an adjustment of status application filed in accordance with §103.2 of 8 CFR chapter I (to include Supplement A to Form I-485 and proof of remittance to the INS of the required additional sum) in order to request consideration under the provisions of section 245(i) of the Act.

(e) *Applications for Adjustment of Status filed before October 1, 1994.* The provisions of section 245(i) of the Act shall not apply to an application for adjustment of status that was filed before October 1, 1994. The provisions of section 245(i) of the Act also shall not apply to a motion to reopen or reconsider an application for adjustment of status if the application for adjustment of status was filed before October 1, 1994. An applicant whose pre-October 1, 1994, application for adjustment of status has been denied may file a new application for adjustment of status pursuant to section 245(i) of the Act on or after October 1, 1994, provided that such new application is accompanied by: the required fee; Supplement A to Form I-485; the additional sum required by section 245(i) of the Act; and all other required initial and additional evidence.

(f) *Effect of section 245(i) on completed adjustment applications before the Service.* (1) Any motion to reopen or reconsider before the Service alleging availability of section 245(i) of the Act must be filed in accordance with §103.5 of 8 CFR chapter I. If said motion to reopen

with the Service is granted, the alien must remit to the Service Supplement A to Form I-485 and the additional sum required by section 245(i) of the Act. If the alien had previously remitted Supplement A to Form I-485 and the additional sum with the application which is the subject of the motion to reopen, then no additional sum need be remitted upon such reopening.

(2) An alien whose adjustment application was adjudicated and denied by the Service because of ineligibility under section 245(a) or (c) of the Act and now alleges eligibility due to the availability of section 245(i) of the Act may file a new application for adjustment of status pursuant to section 245(i) of the Act, provided that such new application is accompanied by the required fee for the application, Supplement A to Form I-485, additional sum required by section 245(i) of the Act and all other required and additional evidence.

(g) *Aliens deportable under section 237(a)(4)(B) of the Act are ineligible to adjust status.* Section 237(a)(4)(B) of the Act renders any alien who has engaged, is engaged, or at any time after admission engages in any terrorist activity, as defined in section 212(a)(3)(B)(iii) of the Act, deportable. Under section 245(c)(6) of the Act, persons who are deportable under section 237(a)(4)(B) of the Act are ineligible to adjust status under section 245(a) of the Act. Any person who is deportable under section 237(a)(4)(B) of the Act is also ineligible to adjust status under section 245(i) of the Act.

(h) *Asylum or diversity immigrant visa applications.* An asylum application, diversity visa lottery application, or diversity visa lottery-winning letter does not serve to grandfather the alien for purposes of section 245(i) of the Act. However, an otherwise grandfathered alien may use winning a diversity visa as a basis for adjustment.

(i) *Denial, withdrawal, or revocation of the approval of a visa petition or application for labor certification.* The denial, withdrawal, or revocation of the approval of a qualifying immigrant visa petition, or application for labor certification, that was properly filed on or before April 30, 2001, and that was approvable when filed, will not preclude

its grandfathered alien (including the grandfathered alien's family members) from seeking adjustment of status under section 245(i) of the Act on the basis of another approved visa petition, a diversity visa, or any other ground for adjustment of status under the Act, as appropriate.

(j) *Substitution of a beneficiary on an application for a labor certification.* Only the alien who was the beneficiary of the application for the labor certification on or before April 30, 2001, will be considered to have been grandfathered for purposes of filing an application for adjustment of status under section 245(i) of the Act. An alien who was previously the beneficiary of the application for the labor certification but was subsequently replaced by another alien on or before April 30, 2001, will not be considered to be a grandfathered alien. An alien who was substituted for the previous beneficiary of the application for the labor certification after April 30, 2001, will not be considered to be a grandfathered alien.

(k) *Changes in employment.* An applicant for adjustment under section 245(i) of the Act who is adjusting status through an employment-based category is not required to work for the petitioner who filed the petition that grandfathered the alien, unless he or she is seeking adjustment based on employment for that same petitioner.

(l) *Effects of grandfathering on an alien's nonimmigrant status.* An alien's nonimmigrant status is not affected by the fact that he or she is a grandfathered alien. Lawful immigration status for a nonimmigrant is defined in § 1245.1(d)(1)(ii).

(m) *Effect of grandfathering on unlawful presence under section 212(a)(9)(B) and (c) of the Act.* If the alien is not in a period of stay authorized by the Attorney General, the fact that he or she is a grandfathered alien does not prevent the alien from accruing unlawful presence under section 212(a)(9)(B) and (C) of the Act.

(n) *Evidentiary requirement to demonstrate physical presence on December 21, 2000.* (1) Unless the qualifying immigrant visa petition or application for labor certification was filed on or before January 14, 1998, a principal grandfathered alien must establish that he

or she was physically present in the United States on December 21, 2000, to be eligible to apply to adjust status under section 245(i) of the Act. If no one document establishes the alien's physical presence on December 21, 2000, he or she may submit several documents establishing his or her physical presence in the United States prior to, and after December 21, 2000.

(2) To demonstrate physical presence on December 21, 2000, the alien may submit Service documentation. Examples of acceptable Service documentation include, but are not limited to:

(i) A photocopy of the Form I-94, Arrival-Departure Record, issued upon the alien's arrival in the United States;

(ii) A photocopy of the Form I-862, Notice to Appear;

(iii) A photocopy of the Form I-122, Notice to Applicant for Admission Detained for Hearing before Immigration Judge, issued by the Service on or prior to December 21, 2000, placing the applicant in exclusion proceedings under section 236 of the Act (as in effect prior to April 1, 1997);

(iv) A photocopy of the Form I-221, Order to Show Cause, issued by the Service on or prior to December 21, 2000, placing the applicant in deportation proceedings under section 242 or 242A of the Act (as in effect prior to April 1, 1997);

(v) A photocopy of any application or petition for a benefit under the Act filed by or on behalf of the applicant on or prior to December 21, 2000, which establishes his or her presence in the United States, or a fee receipt issued by the Service for such application or petition.

(3) To demonstrate physical presence on December 21, 2000, the alien may submit other government documentation. Other government documentation issued by a Federal, state, or local authority must bear the signature, seal, or other authenticating instrument of such authority (if the document normally bears such instrument), be dated at the time of issuance, and bear a date of issuance not later than December 21, 2000. For this purpose, the term Federal, state, or local authority includes

§ 1245.11

8 CFR Ch. V (1-1-08 Edition)

any governmental, educational, or administrative function operated by Federal, state, county, or municipal officials. Examples of such other documentation include, but are not limited to:

- (i) A state driver's license;
- (ii) A state identification card;
- (iii) A county or municipal hospital record;
- (iv) A public college or public school transcript;
- (v) Income tax records;
- (vi) A certified copy of a Federal, state, or local governmental record which was created on or prior to December 21, 2000, shows that the applicant was present in the United States at the time, and establishes that the applicant sought on his or her own behalf, or some other party sought on the applicant's behalf, a benefit from the Federal, state, or local governmental agency keeping such record;
- (vii) A certified copy of a Federal, state, or local governmental record which was created on or prior to December 21, 2000, that shows that the applicant was present in the United States at the time, and establishes that the applicant submitted an income tax return, property tax payment, or similar submission or payment to the Federal, state, or local governmental agency keeping such record;
- (viii) A transcript from a private or religious school that is registered with, or approved or licensed by, appropriate State or local authorities, accredited by the State or regional accrediting body, or by the appropriate private school association, or maintains enrollment records in accordance with State or local requirements or standards.

(4) To demonstrate physical presence on December 21, 2000, the alien may submit non-government documentation. Examples of documentation establishing physical presence on December 21, 2000, may include, but are not limited to:

- (i) School records;
- (ii) Rental receipts;
- (iii) Utility bill receipts;
- (iv) Any other dated receipts;
- (v) Personal checks written by the applicant bearing a bank cancellation stamp;

(vi) Employment records, including pay stubs;

(vii) Credit card statements showing the dates of purchase, payment, or other transaction;

(viii) Certified copies of records maintained by organizations chartered by the Federal or State government, such as public utilities, accredited private and religious schools, and banks;

(ix) If the applicant established that a family unit was in existence and cohabiting in the United States, documents evidencing the presence of another member of the same family unit; and

(x) For applicants who have ongoing correspondence or other interaction with the Service, a list of the types and dates of such correspondence or other contact that the applicant knows to be contained or reflected in Service records.

(5)(i) The adjudicator will evaluate all evidence on a case-by-case basis and will not accept a personal affidavit attesting to physical presence on December 21, 2000, without requiring an interview or additional evidence to validate the affidavit.

(ii) In all cases, any doubts as to the existence, authenticity, veracity, or accuracy of the documentation shall be resolved by the official government record, with records of the Service and the Executive Office for Immigration Review (EOIR) having precedence over the records of other agencies. Furthermore, determinations as to the weight to be given any particular document or item of evidence shall be solely within the discretion of the adjudicating authority (i.e., the Service or EOIR). It shall be the responsibility of the applicant to obtain and submit copies of the records of any other government agency that the applicant desires to be considered in support of his or her application.
