

(iii) *Overcoming inadmissibility.* An alien may overcome the presumption of inadmissibility set out in paragraph (f)(8)(ii) by making a showing that he or she satisfies conditions set by the Secretary of Homeland Security and the Secretary of State. If a consular officer, in adjudicating a new visa application by an alien that previously failed to register his or her departure from the United States, finds good cause existed for the alien's failure to register departure or that the alien is not inadmissible under section 212(a)(3)(A)(ii) of the Act, the inspecting officer at the port-of-entry, while not bound by the consular officer's decision, will consider this finding as a significantly favorable factor in determining whether the alien is admissible.

(9) *Completion of registration.* Registration under this paragraph (f) is not deemed to be complete unless all of the information required by the Department of Homeland Security and all requested documents are provided in a timely manner. Any additional re-registration that may be required and each change of material fact is a registration that is required under sections 262 and 263 of the Act (8 U.S.C. 1302, 1303). Each change of address required under this paragraph (f) is a change of address required under section 265 of the Act (8 U.S.C. 1305).

(g) *Registration and fingerprinting of children who reach age 14.* Within 30 days after reaching the age of 14, any alien in the United States not exempt from alien registration under the act and this chapter shall present himself to a Service office for registration in accordance with section 262(b) of the Act, and for fingerprinting unless fingerprinting is waived pursuant to paragraph (e) of this section. He shall submit Form I-90 if he is a lawful permanent resident. If such alien is a lawful permanent resident of the United States and is temporarily absent from the United States when he reaches the age of 14, he shall comply with the foregoing within 30 days of his return to the United States. The alien, if a lawful permanent resident of the United States, shall surrender his prior evidence of alien registration and shall be issued Form I-551 bearing a photograph submitted by him in accordance

with the instructions on Form I-90. In the case of an alien who is not a lawful permanent resident, the alien's Form I-94 or I-95 shall be noted to show that he has been registered and the date of registration.

(h) *Temporary evidence of registration.* Form I-94, appropriately endorsed, may be issued as temporary evidence of registration and lawful admission for permanent residence to a lawful permanent resident alien who is departing temporarily from the United States and has applied on Form I-90 for issuance of Form I-551, if the district director is unable to issue and deliver the Form I-551 prior to the alien's contemplated return to the United States. The alien shall surrender such Form I-94 to the Service upon receipt of Form I-551.

(i) *Copy of Form I-94.* An attorney or representative as defined in §1.1 of this chapter who is representing an alien before the Service or the Board may make and retain, solely for information purposes, a copy of the Form I-94 (Arrival-Departure Record) issued to and in the possession of the alien. Such copy shall not be used for any other purpose.
