§ 2.39 Jurisdiction of the Commission.

(a) Jurisdiction of the Commission over a parolee shall terminate no later than the date of expiration of the maximum term or terms for which he was sentenced, except as provided by § 2.35, § 2.43, or § 2.52.

[42 FR 39809, Aug. 5, 1977, as amended at 48 FR 22919, May 23, 1983]

§ 2.40 Conditions of release.

(a) *General conditions of release.* (1) The conditions set forth in § 2.204(a)(3)–(6) apply for the reasons set forth in § 2.204(a)(1). These conditions are printed on the certificate of release issued to each releasee.

(2)(i) The refusal of a prisoner who has been granted a parole date to sign the certificate of release (or any other document necessary to fulfill a condition of release) constitutes withdrawal of that prisoner's application for parole as of the date of refusal. To be considered for parole again, that prisoner must reapply for parole consideration.

(ii) A prisoner who is released to supervision through good-time deduction who refuses to sign the certificate of release is nevertheless bound by the conditions set forth in that certificate.

(b) *Special conditions of release.* (1) The Commission may impose a condition other than one of the general conditions of release if the Commission determines that such condition is necessary to protect the public from further crimes by the releasee and to provide adequate supervision of the releasee. Examples of special condi-

tions of release that the Commission frequently imposes are found at § 2.204(b)(2).

(2) If the Commission requires the releasee's participation in a drug-treatment program, the releasee must submit to a drug test before release and to at least two other drug tests, as determined by the supervision officer. A decision not to impose this special condition, because available information indicates a low risk of future substance abuse by the releasee, shall constitute good cause for suspension of the drug testing requirements of 18 U.S.C. 4209(a). A grant of parole or reparole is contingent upon the prisoner passing all pre-release drug tests administered by the Bureau of Prisons.

(c) *Changing conditions of release.* The provisions of § 2.204(c) apply.

(d) *Appeal.* A releasee may appeal under § 2.26 an order to impose or modify a release condition not later than 30 days after the date the condition is imposed or modified.

(e) *Application of release conditions to absconder.* The provisions of § 2.204(d) apply.

(f) *Revocation for possession of a controlled substance.* If the Commission finds after a revocation hearing that a releasee, released after December 31, 1988, has possessed a controlled substance, the Commission shall revoke parole or mandatory release. If such a releasee fails a drug test, the Commission shall consider appropriate alternatives to revocation. The Commission shall not revoke parole on the basis of a single, unconfirmed positive drug test, if the releasee challenges the test result and there is no other violation found by the Commission to justify revocation.

(g) *Supervision officer guidance.* The provisions of § 2.204(f) apply.

(h) *Definitions.* For purposes of this section—

(1) The terms *supervision officer*, *domestic violence crime*, *approved offender-rehabilitation program* and *firearm*, as used in § 2.204, have the meanings given those terms by § 2.204(g);

(2) The term *releasee*, as used in this section and in § 2.204 means a person convicted of a federal offense who has been released on parole or released through good-time deduction; and

§ 2.41

(3) The term *certificate of release*, as used in this section and § 2.204, means the certificate of parole or mandatory release delivered to the prisoner under § 2.29.

§ 2.41 Travel approval.

(a) The probation officer may approve travel outside the district without approval of the Commission in the following situations:

(1) Vacation trips not to exceed thirty days.

(2) Trips, not to exceed thirty days, to investigate reasonably certain employment possibilities.

(3) Recurring travel across a district boundary, not to exceed fifty miles outside the district, for purpose of employment, shopping, or recreation.

(b) Specific advance approval by the Commission is required for all foreign travel, employment requiring recurring travel more than fifty miles outside the district (except employment at offshore locations), and vacation travel outside the district exceeding thirty days. A request for such permission shall be in writing and must demonstrate a substantial need for such travel.

(c) A special condition imposed by the Regional Commissioner prohibiting certain travel shall supersede any general rules relating to travel as set forth above.

§ 2.42 Probation officer's reports to Commission.

A supervision report shall be submitted by the responsible probation officer to the Commission for each parolee after the completion of 24 months of continuous supervision and annually thereafter. The probation officer shall submit such additional reports as the Commission may direct.

§ 2.43 Early termination.

(a)(1) Upon its own motion or upon request of the parolee, the Commission may terminate supervision, and thus

jurisdiction, over a parolee prior to the expiration of his maximum sentence.

(2) A committed youth offender sentenced to a term of more than one year may not be granted an early termination of jurisdiction earlier than after one year of continuous supervision on parole. When termination of jurisdiction prior to the expiration of sentence is granted in the case of a youth offender, his conviction shall be automatically set aside. A certificate setting aside his conviction shall be issued in lieu of a certificate of termination.

(b) Two years after release on supervision, and at least annually thereafter, the Commission shall review the status of each parolee to determine the need for continued supervision. In calculating such two-year period there shall not be included any period of release on parole prior to the most recent release, nor any period served in confinement on any other sentence. A review will also be conducted whenever early termination is recommended by the supervising probation officer.

(c)(1) Five years after release on supervision, the Commission shall terminate supervision over such parolee unless it is determined, after a hearing conducted in accordance with the procedures prescribed in 18 U.S.C. 4214(a)(2), that such supervision should not be terminated because there is a likelihood that the parolee will engage in conduct violating any criminal law. Such hearing may be conducted by a hearing examiner or other official designated by the Regional Commissioner. In calculating such five-year period, there shall not be included any period of release on parole prior to the most recent release or any period served in confinement on any other sentence.

(2) If supervision is not terminated under paragraph (c)(1) of this section the parolee may request a hearing annually thereafter, and a hearing shall be conducted with respect to termination of supervision not less frequently than biennially.

(3) A parolee may appeal an adverse decision under paragraphs (c)(1) or (c)(2) of this section pursuant to § 2.26 or § 2.27 as applicable.

(d) The Regional Commissioner shall have authority to make decisions under this section pursuant to the
