

programs in accordance with the inmate's needs and the established program plan. The "program day" shall consist of morning, afternoon, and evening time periods, during which the inmate shall be scheduled for treatment programs, work, and leisure-time activities. The inmate shall be expected to comply with the program plan. The inmate's participation in a treatment program is required, not optional. An inmate's failure to participate may result in disciplinary action.

(3) *Pre-release phase:* The YCA inmate shall enter the pre-release phase approximately 9 months prior to release. The pre-release phase is ordinarily divided into two segments: participation in the institution pre-release program and a stay at a Community Corrections Center (CCC), if otherwise eligible. Institution pre-release programs shall focus on the types of problems the inmate may face upon return to the community, such as re-establishing family relationships, managing a household, finding and keeping a job, and developing a successful life style. In addition, the pre-release phase may include visits from prospective employers.

(b) Staff shall establish incentives to motivate YCA inmates and to encourage program completion. Examples of such incentives which may be used are special recognition, awards, and "vacation days".

(c) The program plan, and the YCA inmate's participation in fulfilling goals contained within the plan, are fundamental factors considered by the U.S. Parole Commission in determining when a YCA inmate should be paroled. Given the importance and joint use of the YCA programming process, the current program plan and a summary of the inmate's progress in meeting established treatment goals must be made available for review and discussion by the Commission at each parole hearing. In addition, a staff member familiar with the YCA inmate's case should be present at any parole hearing to clarify any questions concerning the plan or the inmate's progress in completing the plan.

(d) Upon full and satisfactory completion of the program plan, the Warden will notify the U.S. Parole Com-

mission and make a specific recommendation for release.

§ 524.23 Program reviews.

Staff shall conduct periodic reviews of the inmate's program plan and shall modify the plan in accordance with the level of progress shown. Each YCA inmate shall be afforded a review at least once each 90 days, and shall have a formal progress report prepared every year summarizing the inmate's level of achievement. If the inmate's program plan needs to be modified in light of the progress made, or the lack thereof, appropriate changes will be made and a revised program plan will be developed and documented. Staff shall ordinarily notify the inmate of the 90-day review at least 48 hours prior to the inmate's scheduled appearance before the Unit Team. An inmate may waive in writing the requirement of 48 hours notice.

§ 524.24 Parole hearings.

All YCA inmates have been extended the parole procedures present in *Watts vs. Hadden*. YCA inmates shall be scheduled for interim hearings on the following schedules:

(a) For those inmates serving YCA sentences of less than 7 years, an in-person hearing will be scheduled every 9 months.

(b) For those inmates serving YCA sentences of 7 years or more, an in-person hearing will be scheduled every 12 months.

(c) Upon notification of a response to treatment/certified completion of a program plan by the Bureau of Prisons, the Parole Commission will schedule the inmate for an in-person hearing on the next available docket, unless the inmate is paroled on the record. If a hearing is held and the inmate is denied parole, the next hearing shall be scheduled in accordance with the schedule outlined in paragraphs (a) and (b) of this section.

(d) The hearings mentioned in paragraphs (a) and (b) of this section are not required for inmates who have been continued to expiration or mandatory parole who have less than one year remaining to serve or to a CCC placement date.
