§ 541.14 Incident report and investigation.

(a) *Incident report.* The Bureau of Prisons encourages informal resolution (requiring consent of both parties) of incidents involving violations of Bureau regulations. However, when staff witnesses or has a reasonable belief that a violation of Bureau regulations has been committed by an inmate, and when staff considers informal resolution of the incident inappropriate or unsuccessful, staff shall prepare an Incident Report and promptly forward it to the appropriate Lieutenant. Except for prohibited acts in the Greatest or High Severity Category, the Lieutenant may informally dispose of the Incident Report or forward the Incident Report for investigation consistent with this section. The Lieutenant shall expunge the inmate's file of the Incident Report if informal resolution is accomplished. Only the DHO may make a final disposition on a prohibited act in the Greatest Severity Category or on a prohibited act in the High Category (when the High Category prohibited act has been committed by a VCCLEA inmate rated as violent or by a PLRA inmate).

(b) *Investigation.* Staff shall conduct the investigation promptly unless circumstances beyond the control of the investigator intervene.

(1) When it appears likely that the incident may be the subject of criminal prosecution, the investigating officer shall suspend the investigation, and staff may not question the inmate until the Federal Bureau of Investigation or other investigative agency interviews have been completed or until the agency responsible for the criminal investigation advises that staff questioning may occur.

(2) The inmate may receive a copy of the Incident Report prior to being seen by the investigating agency. The investigating officer (Bureau of Prisons) shall give the inmate a copy of the Incident Report at the beginning of the investigation, unless there is good cause for delivery at a later date, such

as absence of the inmate from the institution or a medical condition which argues against delivery. If the investigation is delayed for any reason, any employee may deliver the charge(s) to the inmate. The staff member shall note the date and time the inmate received a copy of the Incident Report. The investigator shall also read the charge(s) to the inmate and ask for the inmate's statement concerning the incident unless it appears likely that the incident may be the subject of criminal prosecution. The investigator shall advise the inmate of the right to remain silent at all stages of the disciplinary process but that the inmate's silence may be used to draw an adverse inference against the inmate at any stage of the institutional disciplinary process. The investigator shall also inform the inmate that the inmate's silence alone may not be used to support a finding that the inmate has committed a prohibited act. The investigator shall then thoroughly investigate the incident. The investigator shall record all steps and actions taken on the Incident Report and forward all relevant material to the staff holding the initial hearing. The inmate does not receive a copy of the investigation. However, if the case is ultimately forwarded to the Discipline Hearing Officer, the DHO shall give a copy of the investigation and other relevant materials to the inmate's staff representative for use in presentation on the inmate's behalf.

§ 541.15 Initial hearing.

The Warden shall delegate to one or more institution staff members the authority and duty to hold an initial hearing upon completion of the investigation. In order to ensure impartiality, the appropriate staff member(s) (hereinafter usually referred to as the Unit Discipline Committee (UDC)) may not be the reporting or investigating officer or a witness to the incident, or play any significant part in having the charges referred to the UDC. However,
