(g) *If my claim is denied or I am dissatisfied with a settlement offer, what are my options?* If your claim is denied or you are dissatisfied with a settlement offer, you may request, in writing, that the Bureau of Prisons reconsider your claim in the administrative stage. You should include additional evidence of injury or loss to support your request for reconsideration. If you are dissatisfied with the final agency action, you may file suit in an appropriate U.S. District Court as no further administrative action is available.

(h) *What if I accept a settlement of my claim?* If you accept a settlement, you give up your right to bring a lawsuit against the United States or against any employee of the government whose action or lack of action gave rise to your claim.

## § 544.20

### § 544.20 Purpose and scope.

The Bureau of Prisons offers inmates the opportunity under its postsecondary education program to participate in postsecondary education courses (courses for college credit other than those courses which pertain to occupational education programs) which have been determined to be appropriate in light of the institution's need for discipline, security, and good order. Participation in postsecondary education courses which are part of occupational education programs is governed by the provisions of the Bureau's occupational education program (see subpart F of this part).

### § 544.21 Procedures.

(a) The Warden or designee must appoint a postsecondary education coordinator (ordinarily an education staff member) for the institution. The postsecondary education coordinator is responsible for coordinating the institution's postsecondary education program.

(b) An inmate who wishes to participate in a postsecondary education course must apply through the postsecondary education coordinator. If the postsecondary education coordinator determines that the course is appropriate in light of the institution's need for discipline, security, and good order, the inmate may enroll provided that:

(1) The inmate meets eligibility requirements for the course which have been set by the course provider,

(2) The inmate is responsible for payment of any tuition either through personal funds, community resources, or scholarships available to the inmate, and

(3) The unit team determines that the course is appropriate for the inmate's apparent needs.

Religious activities, psychological services, and education classes are not included within this definition, except when they are used specifically to encourage knowledge, skills, and attitudes related to leisure activity involvement.

### § 544.32 Goals.

The Warden is to ensure, to the extent possible, that leisure activities are provided to meet social, physical, psychological, and overall wellness needs of inmates.

(a) Leisure activities are designed to attract inmate participation regardless of ethnic, racial, age, or sex difference, or handicap considerations, and to enhance the potential for post-release involvement.

(b) Leisure activities are designed to ensure that an inmate with the need has the opportunity to complete one or more activities (see 28 CFR 544.81).
