§ 1602.50 Requirement for filing and preserving copy of report.

On or before November 30, 1975, and biennially thereafter, every public and private institution of higher education having fifteen (15) or more employees shall file with the Commission or its delegate executed copies of Higher Education Staff Information Report EEO-6 in conformity with the directions set forth in the form and accompanying instructions. Every institution of higher education shall retain at all times, for a period of three years a copy of the most recently filed Report EEO-6 at its central administrative office, at the central office of a separate campus or branch, or at an individual school which is the subject of the report, where more convenient. An institution of higher education shall make the same available if requested by the Commission or is representative under the authority of section 710 of the Act and 29 U.S.C. 161. It is the responsibility of the institutions above described in this section to obtain from the Commission or its delegate necessary supplies of the form.

§ 1602.51 Penalty for making of willfully false statements on report.

The making of willfully false statements on Report EEO-6 is a violation of the United States Code, title 18, section 1001, and is punishable by fine or imprisonment as set forth therein.

§ 1602.52 Commission's remedy for failure to file.

Any institution of higher education failing or refusing to keep records, in accordance with § 1602.48 or § 1602.49 of

subpart O of this part, or failing or refusing to file Report EEO-6 when required to do so, in accordance with § 1602.50 of this part, may be compelled to keep records or to file by order of a United States District Court upon application of the Commission, or the Attorney General in a case involving a public institution.

§ 1602.53 Exemption from reporting requirements.

If it is claimed that the preparation or filing of the report would create undue hardship, the institution of higher education may apply to the Commission for an exemption from the requirements set forth in subparts O and P of this part by submitting to the Commission or its delegate a specific proposal for an alternative reporting system no later than 45 days prior to the date on which the report must be filed.

§ 1602.54 Additional reporting requirements.

The Commission reserves the right to require reports, other than that designated as the Higher Education Staff Information Report EEO-6, about the employment practices of private or public institutions of higher education whenever, in its judgment, special or supplemental reports are necessary to accomplish the purposes of title VII or the ADA. Any system for the requirement of such reports will be established in accordance with the procedures referred to in section 709(c) of title VII or section 107 of the ADA and as otherwise prescribed by law.
