

§ 1614.502

29 CFR Ch. XIV (7-1-08 Edition)

charges for legal services. The agency may respond to a statement of attorney's fees and costs within 30 days of its receipt. The verified statement, accompanying affidavit and any agency response shall be made a part of the complaint file.

(ii)(A) The agency or administrative judge shall issue a decision determining the amount of attorney's fees or costs due within 60 days of receipt of the statement and affidavit. The decision shall include a notice of right to appeal to the EEOC along with EEOC Form 573, Notice of Appeal/Petition and shall include the specific reasons for determining the amount of the award.

(B) The amount of attorney's fees shall be calculated using the following standards: The starting point shall be the number of hours reasonably expended multiplied by a reasonable hourly rate. There is a strong presumption that this amount represents the reasonable fee. In limited circumstances, this amount may be reduced or increased in consideration of the degree of success, quality of representation, and long delay caused by the agency.

(C) The costs that may be awarded are those authorized by 28 U.S.C. 1920 to include: Fees of the reporter for all or any of the stenographic transcript necessarily obtained for use in the case; fees and disbursements for printing and witnesses; and fees for exemplification and copies necessarily obtained for use in the case.

(iii) Witness fees shall be awarded in accordance with the provisions of 28 U.S.C. 1821, except that no award shall be made for a Federal employee who is in a duty status when made available as a witness.

§ 1614.502 Compliance with final Commission decisions.

(a) Relief ordered in a final Commission decision is mandatory and binding on the agency except as provided in this section. Failure to implement ordered relief shall be subject to judicial enforcement as specified in § 1614.503(g).

(b) Notwithstanding paragraph (a) of this section, when the agency requests reconsideration and the case involves removal, separation, or suspension continuing beyond the date of the request for reconsideration, and when the decision orders retroactive restoration, the agency shall comply with the decision to the extent of the temporary or conditional restoration of the employee to duty status in the position specified by the Commission, pending the outcome of the agency request for reconsideration.

(1) Service under the temporary or conditional restoration provisions of this paragraph (b) shall be credited toward the completion of a probationary or trial period, eligibility for a within-grade increase, or the completion of the service requirement for career tenure, if the Commission upholds its decision after reconsideration.

(2) When the agency requests reconsideration, it may delay the payment of any amounts ordered to be paid to the complainant until after the request for reconsideration is resolved. If the agency delays payment of any amount pending the outcome of the request to reconsider and the resolution of the request requires the agency to make the payment, then the agency shall pay interest from the date of the original appellate decision until payment is made.

(3) The agency shall notify the Commission and the employee in writing at the same time it requests reconsideration that the relief it provides is temporary or conditional and, if applicable, that it will delay the payment of any amounts owed but will pay interest as specified in paragraph (b)(2) of this section. Failure of the agency to provide notification will result in the dismissal of the agency's request.

(c) When no request for reconsideration is filed or when a request for reconsideration is denied, the agency shall provide the relief ordered and there is no further right to delay implementation of the ordered relief. The relief shall be provided in full not later than 60 days after receipt of the final decision unless otherwise ordered in the decision.
