§ 501.801 Licensing.

(a) *General licenses.* General licenses have been issued authorizing under appropriate terms and conditions certain types of transactions which are subject to the prohibitions contained in this chapter. All such licenses are set forth in subpart E of each part contained in this chapter. General licenses may also be issued authorizing under appropriate terms and conditions certain types of transactions which are subject to prohibitions contained in economic sanctions programs the implementation and administration of which have been delegated to the Director of the Office of Foreign Assets Control but

which are not yet codified in this chapter. It is the policy of the Office of Foreign Assets Control not to grant applications for specific licenses authorizing transactions to which the provisions of an outstanding general license are applicable. Persons availing themselves of certain general licenses may be required to file reports and statements in accordance with the instructions specified in those licenses. Failure to file such reports or statements will nullify the authority of the general license.

(b) *Specific licenses*—(1) *General course of procedure.* Transactions subject to the prohibitions contained in this chapter, or to prohibitions the implementation and administration of which have been delegated to the Director of the Office of Foreign Assets Control, which are not authorized by general license may be effected only under specific licenses.

(2) *Applications for specific licenses.* Original signed applications for specific licenses to engage in any transactions prohibited by or pursuant to this chapter or sanctions programs that have been delegated to the Director of the Office of Foreign Assets Control for implementation and administration must be filed by mail or courier. Applications will not be accepted by fax or electronically, unless otherwise authorized. Applications may be submitted in letter form with the exception of license applications for the unblocking of funds transfers. Applications for the unblocking of funds transfers must be submitted using TD-F 90-22.54, "Application for the Release of Blocked Funds," accompanied by two complete copies of the entire submission. The form, which requires information regarding the date of the blocking, the financial institutions involved in the transfer, and the beneficiary and amount of the transfer, may be obtained from the OFAC Internet Home Page: <http://www.treas.gov/ofac>, the OFAC fax-on-demand service: 202/622-0077, or the Compliance Programs Division, Office of Foreign Assets Control, Department of the Treasury, Washington, DC 20220. Any person having an interest in a transaction or proposed transaction may file an application for a license authorizing such transaction.

(3) *Information to be supplied.* The applicant must supply all information specified by relevant instructions and/or forms, and must fully disclose the names of all parties who are concerned with or interested in the proposed transaction. If the application is filed by an agent, the agent must disclose the name of his principal(s). Such documents as may be relevant shall be attached to each application as a part of such application, except that documents previously filed with the Office of Foreign Assets Control may, where appropriate, be incorporated by reference in such application. Applicants are required to supply their taxpayer identifying number pursuant to 31 U.S.C. 7701, which number may be used for purposes of collecting and reporting on any delinquent amounts arising out of the applicant's relationship with the United States Government. Applicants may be required to furnish such further information as is deemed necessary to a proper determination by the Office of Foreign Assets Control. Any applicant or other party in interest desiring to present additional information may do so at any time before or after decision. Arrangements for oral presentation should be made with the Office of Foreign Assets Control.

(4) *Effect of denial.* The denial of a license does not preclude the reopening of an application or the filing of a further application. The applicant or any other party in interest may at any time request explanation of the reasons for a denial by correspondence or personal interview.

(5) *Reports under specific licenses.* As a condition for the issuance of any license, the licensee may be required to file reports with respect to the transaction covered by the license, in such form and at such times and places as may be prescribed in the license or otherwise.

(6) *Issuance of license.* Licenses will be issued by the Office of Foreign Assets Control acting on behalf of the Secretary of the Treasury or licenses may be issued by the Secretary of the Treasury acting directly or through any specifically designated person, agency, or instrumentality.

(7) *Address.* License applications, reports, and inquiries should be addressed to the appropriate division or individual within the Office of Foreign Assets Control, or to its Director, at the following address: Office of Foreign Assets Control, U.S. Department of the Treasury, 1500 Pennsylvania Avenue, NW.—Annex, Washington, DC 20220.

(c) *Registration of nongovernmental organizations—(1) Purpose of registration.* For those parts of this chapter specifically authorizing the registration of nongovernmental organizations (“NGOs”), registration numbers may be issued on a case-by-case basis to NGOs involved in humanitarian or religious activities in countries or geographic areas subject to economic sanctions pursuant to this chapter V. A registration number authorizes certain transactions by or on behalf of the registered NGO otherwise prohibited by the specific part with respect to which the registration number is issued, including the exportation of goods, services, and funds to the country or geographic area subject to such part for the purpose of relieving human suffering. The transactions authorized for registered NGOs either will be specified by the statement of licensing policy in the part under which the registration number is issued or by the Office of Foreign Assets Control letter issuing the registration number.

(2) *Application information to be supplied.* Applications for registration numbers should be submitted to the Compliance Programs Division, Office of Foreign Assets Control, U.S. Department of the Treasury, 1500 Pennsylvania Avenue, NW., Annex, Washington, DC 20220, or by facsimile to (202) 622-2426, and must include:

(i) The organization’s name in English, in the language of origin, and any acronym or other names used to identify the organization;

(ii) Address and phone number of the organization’s headquarters location;

(iii) Full name in English, in the language of origin, and any acronym or other names used, as well as nationality, citizenship, current country of residence, place and date of birth for key staff at the organization’s headquarters, such as the chairman and

board members, president, director, etc.;

(iv) Identification of field offices or partner offices elsewhere, including addresses, phone numbers, and organizational names used, as well as the identification of the senior officer(s) at these locations, including the person’s name, position, nationality, citizenship, and date of birth (names of individuals and organizations shall be provided in English, in the language of origin, and shall include any acronym or other names used to identify the individuals or organizations);

(v) Identification of subcontracting organizations, if any, to the extent known or contemplated at the time of the application;

(vi) Existing sources of income, such as official grants, private endowments, commercial activities;

(vii) Financial institutions that hold deposits on behalf of or extend lines of credit to the organization (names of individuals and organizations shall be provided in English, in the language of origin, and shall include any acronym or other names used to identify the individuals or organizations);

(viii) Independent accounting firms, if employed in the production of the organization’s financial statements (names of individuals and organizations shall be provided in English, in the language of origin, and shall include any acronym or other names used to identify the individuals or organizations);

(ix) A detailed description of the organization’s humanitarian or religious activities and projects in countries or geographic areas subject to economic sanctions pursuant to this chapter V;

(x) Most recent official registry documents, annual reports, and annual filings with the pertinent government, as applicable; and

(xi) Names and addresses of organizations to which the applicant currently provides or proposes to provide funding, services or material support, to the extent known at the time of the vetting, as applicable.

(3) *Use of registration number.* Registered NGOs conducting transactions authorized by their registrations to support their humanitarian or religious activities pursuant to any part of

this chapter should reference the registration number on all payments and funds transfers and on all related documentation, including all purchasing, shipping, and financing documents.

(4) *Limitations.* Registered NGOs are not authorized to make remittances from blocked accounts. Registration numbers are not transferable and may be revoked or modified at any time at the discretion of the Director, Office of Foreign Assets Control. Registration numbers do not excuse compliance with any law or regulation administered by the Office of Foreign Assets Control or any other agency (including reporting requirements) applicable to the transaction(s) herein authorized, nor does it release the Registrant or third parties from civil or criminal liability for violation of any law or regulation.

(5) *Prior numbers.* Registration numbers already issued remain in effect.
