**§ 560.530 Commercial sales, exportation, and reexportation of agricultural commodities, medicine, and medical devices.**

(a) *One-year license requirement.* The exportation or reexportation of agricultural commodities (including bulk agricultural commodities listed in appendix B to this part 560), medicine, or medical devices to the Government of Iran, any entity in Iran, individuals in Iran, or persons in third countries purchasing specifically for resale to any of the foregoing, shall only be made pursuant to a one-year license issued by the United States Department of the Treasury, Office of Foreign Assets Control, for contracts entered into during

the one-year period of the license and shipped within the 12-month period beginning on the date of the signing of the contract. No license will be granted for the exportation or reexportation of agricultural commodities, medicine, or medical equipment to any entity or individual in Iran promoting international terrorism. Executory contracts entered into pursuant to paragraph (b)(2) of this section prior to the issuance of the one-year license described in this paragraph shall be deemed to have been signed on the date of issuance of that one-year license (and, therefore, the exporter is authorized to make shipments under that contract within the 12-month period beginning on the date of issuance of the one-year license).

(b) *General license for arrangement of exportation and reexportation of covered products.* (1) The making of shipping arrangements, cargo inspections, obtaining of insurance, and arrangement of financing (consistent with § 560.532) for the exportation or reexportation of agricultural commodities, medicine, and medical devices to the Government of Iran, entities in Iran, individuals in Iran, or persons in third countries purchasing specifically for resale to any of the foregoing, is authorized.

(2) If desired, entry into executory contracts (including executory pro forma invoices, agreements in principle, or executory offers capable of acceptance such as bids in response to public tenders) for the exportation or reexportation of agricultural commodities, medicine, and medical devices to the Government of Iran, entities in Iran, individuals in Iran, or persons in third countries purchasing specifically for resale to any of the foregoing, is authorized, provided that performance of an executory contract is expressly made contingent upon the prior issuance of the one-year license described in paragraph (a) of this section.

(c) *Instructions for obtaining one-year licenses.* In order to obtain the one-year license described in paragraph (a), the exporter must provide to the Office of Foreign Assets Control:
