

**§ 6.15 Agency review.**

Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the agency may decide to review the decision on its own initiative. If neither the applicant nor agency counsel seeks a review and the agency does not take review on its own initiative, the initial decision on the application shall become a final decision of the agency 30 days after it is issued. Whether to review a decision is a matter within the discretion of the agency. If review is taken, the agency will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

**§ 6.16 Judicial review.**

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

**§ 6.17 Payment of award.**

An applicant seeking payment of an award shall submit to the agency a copy of the agency's final decision granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. An applicant shall be paid the amount awarded unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.
