costs for services provided to Federal agencies and private persons.

(b) *Level of effort.* For establishing charges, services covered by the Fee Schedule have been divided into five levels as follows:

(1) Level 1 includes the provision of basic information from readily available data that does not require technical evaluation or documentation and is transmitted by form letter to the customer.

(2) Level 2 includes the provision of information from readily available data that requires minimal technical evaluation and is transmitted by form letter to the customer.

(3) Level 3 includes the provision of information that requires some file search, a brief technical evaluation, and documentation of results by a form letter or brief composed letter to the customer.

(4) Level 4 includes the provision of information and assistance that requires moderate file search, a brief technical evaluation, and documentation of results in a composed letter to the customer.

(5) Level 5 includes the provision of information and assistance that requires significant file search or retrieval of archived data, a moderate technical evaluation, and documentation of results in a brief letter report to the customer.

(c) *Charge determination.* The Fee Schedule will be used Corps-wide. As requests are received, the responding office will select the appropriate level on the Fee Schedule to determine the charge for providing the service.

(d) *Provision of services.* The services will be provided on a first-come, first-served basis after payment has been received.

(e) *Fees.* The Fee Schedule, including a brief description of the services in each of the five levels and the related charges, is shown in Table 1 to this section. The fee for each level is based on a Corps-wide average of estimated current costs for providing that level of service.

(f) *Review and revision of fees.* The fees shown in the Fee Schedule will be reviewed each fiscal year using the most current cost data available. If nec-

essary, the Fee Schedule will be revised after public notice and comment.
