

(b) The provisions of Pub. L. 95-134, permitting the consolidation of grants to the outlying areas, do not apply to funds provided under paragraph (a) of this section.

(Authority: 20 U.S.C. 1443(a))

[58 FR 40959, July 30, 1993, as amended at 63 FR 18295, Apr. 14, 1998]

Subpart D—Program and Service Components of a Statewide System of Early Intervention Services

GENERAL

§ 303.300 State eligibility criteria and procedures.

Each statewide system of early intervention services must include the eligibility criteria and procedures, consistent with §303.16, that will be used by the State in carrying out programs under this part.

(a) The State shall define *developmental delay* by—

(1) Describing, for each of the areas listed in §303.16(a)(1), the procedures, including the use of informed clinical opinion, that will be used to measure a child's development; and

(2) Stating the levels of functioning or other criteria that constitute a developmental delay in each of those areas.

(b) The State shall describe the criteria and procedures, including the use of informed clinical opinion, that will be used to determine the existence of a condition that has a high probability of resulting in developmental delay under §303.16(a)(2).

(c) If the State elects to include in its system children who are at risk under §303.16(b), the State shall describe the criteria and procedures, including the use of informed clinical opinion, that will be used to identify those children.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1432(5), 1435(a)(1))

NOTE: Under this section and §303.322(c)(2), States are required to ensure that informed clinical opinion is used in determining a child's eligibility under this part. Informed clinical opinion is especially important if there are no standardized measures, or if the standardized procedures are not appropriate

for a given age or developmental area. If a given standardized procedure is considered to be appropriate, a State's criteria could include percentiles or percentages of levels of functioning on standardized measures.

§ 303.301 Central directory.

(a) Each system must include a central directory of information about—

(1) Public and private early intervention services, resources, and experts available in the State;

(2) Research and demonstration projects being conducted in the State; and

(3) Professional and other groups that provide assistance to children eligible under this part and their families.

(b) The information required in paragraph (a) of this section must be in sufficient detail to—

(1) Ensure that the general public will be able to determine the nature and scope of the services and assistance available from each of the sources listed in the directory; and

(2) Enable the parent of a child eligible under this part to contact, by telephone or letter, any of the sources listed in the directory.

(c) The central directory must be—

(1) Updated at least annually; and

(2) Accessible to the general public.

(d) To meet the requirements in paragraph (c)(2) of this section, the lead agency shall arrange for copies of the directory to be available—

(1) In each geographic region of the State, including rural areas; and

(2) In places and a manner that ensure accessibility by persons with disabilities.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1435(a)(7))

NOTE: Examples of appropriate groups that provide assistance to eligible children and their families include parent support groups and advocate associations.

IDENTIFICATION AND EVALUATION

§ 303.320 Public awareness program.

Each system must include a public awareness program that focuses on the early identification of children who are eligible to receive early intervention services under this part and includes the preparation and dissemination by the lead agency to all primary referral
