

§ 303.323

- (D) Social or emotional development.
- (E) Adaptive development.

(iii) An assessment of the unique needs of the child in terms of each of the developmental areas in paragraph (c)(3)(ii) of this section, including the identification of services appropriate to meet those needs.

(d) *Family assessment.* (1) Family assessments under this part must be family-directed and designed to determine the resources, priorities, and concerns of the family and the identification of the supports and services necessary to enhance the family's capacity to meet the developmental needs of the child.

(2) Any assessment that is conducted must be voluntary on the part of the family.

(3) If an assessment of the family is carried out, the assessment must—

- (i) Be conducted by personnel trained to utilize appropriate methods and procedures;
- (ii) Be based on information provided by the family through a personal interview; and
- (iii) Incorporate the family's description of its resources, priorities, and concerns related to enhancing the child's development.

(e) *Timelines.* (1) Except as provided in paragraph (e)(2) of this section, the evaluation and initial assessment of each child (including the family assessment) must be completed within the 45-day time period required in §303.321(e).

(2) The lead agency shall develop procedures to ensure that in the event of exceptional circumstances that make it impossible to complete the evaluation and assessment within 45 days (e.g., if a child is ill), public agencies will—

- (i) Document those circumstances; and
- (ii) Develop and implement an interim IFSP, to the extent appropriate and consistent with §303.345 (b)(1) and (b)(2).

§ 303.323 Nondiscriminatory procedures.

Each lead agency shall adopt nondiscriminatory evaluation and assessment procedures. The procedures must provide that public agencies responsible for the evaluation and assessment of children and families under this part shall ensure, at a minimum, that—

(a) Tests and other evaluation materials and procedures are administered in the native language of the parents or other mode of communication, unless it is clearly not feasible to do so;

(b) Any assessment and evaluation procedures and materials that are used are selected and administered so as not to be racially or culturally discriminatory;

(c) No single procedure is used as the sole criterion for determining a child's eligibility under this part; and

(d) Evaluations and assessments are conducted by qualified personnel.

INDIVIDUALIZED FAMILY SERVICE PLANS (IFSPs)

§ 303.340 General.

(a) Each system must include policies and procedures regarding individualized family service plans (IFSPs) that meet the requirements of this section and §§ 303.341 through 303.346.

(b) As used in this part, *individualized family service plan* and *IFSP* mean a written plan for providing early intervention services to a child eligible under this part and the child's family. The plan must—

(1) Be developed in accordance with §§ 303.342 and 303.343;

(2) Be based on the evaluation and assessment described in §303.322; and

(3) Include the matters specified in §303.344.

(c) *Lead agency responsibility.* The lead agency shall ensure that an IFSP is developed and implemented for each eligible child, in accordance with the requirements of this part. If there is a dispute between agencies as to who has responsibility for developing or implementing an IFSP, the lead agency shall

resolve the dispute or assign responsibility.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1436)

NOTE: In instances where an eligible child must have both an IFSP and an individualized service plan under another Federal program, it may be possible to develop a single consolidated document, provided that it (1) contains all of the required information in § 303.344, and (2) is developed in accordance with the requirements of this part.

**§ 303.341 [Reserved]**

**§ 303.342 Procedures for IFSP development, review, and evaluation.**

(a) *Meeting to develop initial IFSP—timelines.* For a child who has been evaluated for the first time and determined to be eligible, a meeting to develop the initial IFSP must be conducted within the 45-day time period in § 303.321(e).

(b) *Periodic review.* (1) A review of the IFSP for a child and the child's family must be conducted every six months, or more frequently if conditions warrant, or if the family requests such a review. The purpose of the periodic review is to determine—

(i) The degree to which progress toward achieving the outcomes is being made; and

(ii) Whether modification or revision of the outcomes or services is necessary.

(2) The review may be carried out by a meeting or by another means that is acceptable to the parents and other participants.

(c) *Annual meeting to evaluate the IFSP.* A meeting must be conducted on at least an annual basis to evaluate the IFSP for a child and the child's family, and, as appropriate, to revise its provisions. The results of any current evaluations conducted under § 303.322(c), and other information available from the ongoing assessment of the child and family, must be used in determining what services are needed and will be provided.

(d) *Accessibility and convenience of meetings.* (1) IFSP meetings must be conducted—

(i) In settings and at times that are convenient to families; and

(ii) In the native language of the family or other mode of communication used by the family, unless it is clearly not feasible to do so.

(2) Meeting arrangements must be made with, and written notice provided to, the family and other participants early enough before the meeting date to ensure that they will be able to attend.

(e) *Parental consent.* The contents of the IFSP must be fully explained to the parents and informed written consent from the parents must be obtained prior to the provision of early intervention services described in the plan. If the parents do not provide consent with respect to a particular early intervention service or withdraw consent after first providing it, that service may not be provided. The early intervention services to which parental consent is obtained must be provided.

(Approved by the Office of Management and Budget under control number 1820-0550)

(Authority: 20 U.S.C. 1436)

NOTE: The requirement for the annual evaluation incorporates the periodic review process. Therefore, it is necessary to have only one separate periodic review each year (i.e., six months after the initial and subsequent annual IFSP meetings), unless conditions warrant otherwise.

Because the needs of infants and toddlers change so rapidly during the course of a year, certain evaluation procedures may need to be repeated before conducting the periodic reviews and annual evaluation meetings in paragraphs (b) and (c) of this section.

**§ 303.343 Participants in IFSP meetings and periodic reviews.**

(a) *Initial and annual IFSP meetings.* (1) Each initial meeting and each annual meeting to evaluate the IFSP must include the following participants:

(i) The parent or parents of the child.  
 (ii) Other family members, as requested by the parent, if feasible to do so;

(iii) An advocate or person outside of the family, if the parent requests that the person participate.

(iv) The service coordinator who has been working with the family since the initial referral of the child for evaluation, or who has been designated by the
