NOTE: In instances where an eligible child must have both an IFSP and an individualized service plan under another Federal program, it may be possible to develop a single consolidated document, provided that it (1) contains all of the required information in § 303.344, and (2) is developed in accordance with the requirements of this part.

**§ 303.341 [Reserved]**

**§ 303.342 Procedures for IFSP development, review, and evaluation.**

(a) *Meeting to develop initial IFSP—timelines.* For a child who has been evaluated for the first time and determined to be eligible, a meeting to develop the initial IFSP must be conducted within the 45-day time period in § 303.321(e).

(b) *Periodic review.* (1) A review of the IFSP for a child and the child's family must be conducted every six months, or more frequently if conditions warrant, or if the family requests such a review. The purpose of the periodic review is to determine—

(i) The degree to which progress toward achieving the outcomes is being made; and

(ii) Whether modification or revision of the outcomes or services is necessary.

(2) The review may be carried out by a meeting or by another means that is acceptable to the parents and other participants.

(c) *Annual meeting to evaluate the IFSP.* A meeting must be conducted on at least an annual basis to evaluate the IFSP for a child and the child's family, and, as appropriate, to revise its provisions. The results of any current evaluations conducted under § 303.322(c), and other information available from the ongoing assessment of the child and family, must be used in determining what services are needed and will be provided.

(d) *Accessibility and convenience of meetings.* (1) IFSP meetings must be conducted—

(i) In settings and at times that are convenient to families; and

(ii) In the native language of the family or other mode of communication used by the family, unless it is clearly not feasible to do so.

(2) Meeting arrangements must be made with, and written notice provided to, the family and other participants early enough before the meeting date to ensure that they will be able to attend.

(e) *Parental consent.* The contents of the IFSP must be fully explained to the parents and informed written consent from the parents must be obtained prior to the provision of early intervention services described in the plan. If the parents do not provide consent with respect to a particular early intervention service or withdraw consent after first providing it, that service may not be provided. The early intervention services to which parental consent is obtained must be provided.

NOTE: The requirement for the annual evaluation incorporates the periodic review process. Therefore, it is necessary to have only one separate periodic review each year (i.e., six months after the initial and subsequent annual IFSP meetings), unless conditions warrant otherwise.

Because the needs of infants and toddlers change so rapidly during the course of a year, certain evaluation procedures may need to be repeated before conducting the periodic reviews and annual evaluation meetings in paragraphs (b) and (c) of this section.

**§ 303.343 Participants in IFSP meetings and periodic reviews.**

(a) *Initial and annual IFSP meetings.* (1) Each initial meeting and each annual meeting to evaluate the IFSP must include the following participants:

(i) The parent or parents of the child.  
 (ii) Other family members, as requested by the parent, if feasible to do so;

(iii) An advocate or person outside of the family, if the parent requests that the person participate.

(iv) The service coordinator who has been working with the family since the initial referral of the child for evaluation, or who has been designated by the
