

§ 303.345

NOTE 4: Although the IFSP must include information about each of the items in paragraphs (b) through (h) of this section, this does not mean that the IFSP must be a detailed, lengthy document. It might be a brief outline, with appropriate attachments that address each of the points in the paragraphs under this section. It is important for the IFSP itself to be clear about (a) what services are to be provided, (b) the actions that are to be taken by the service coordinator in initiating those services, and (c) what actions will be taken by the parents.

[58 FR 40959, July 30, 1993, as amended at 63 FR 18295, Apr. 14, 1998; 64 FR 12536, Mar. 12, 1999]

§ 303.345 Provision of services before evaluation and assessment are completed.

Early intervention services for an eligible child and the child's family may commence before the completion of the evaluation and assessment in § 303.322, if the following conditions are met:

- (a) Parental consent is obtained.
- (b) An interim IFSP is developed that includes—
 - (1) The name of the service coordinator who will be responsible, consistent with § 303.344(g), for implementation of the interim IFSP and coordination with other agencies and persons; and
 - (2) The early intervention services that have been determined to be needed immediately by the child and the child's family.
- (c) The evaluation and assessment are completed within the time period required in § 303.322(e).

(Authority: 20 U.S.C. 1436(c))

NOTE: This section is intended to accomplish two specific purposes: (1) To facilitate the provision of services in the event that a child has obvious immediate needs that are identified, even at the time of referral (e.g., a physician recommends that a child with cerebral palsy begin receiving physical therapy as soon as possible), and (2) to ensure that the requirements for the timely evaluation and assessment are not circumvented.

§ 303.346 Responsibility and accountability.

Each agency or person who has a direct role in the provision of early intervention services is responsible for making a good faith effort to assist each el-

igible child in achieving the outcomes in the child's IFSP. However, part C of the Act does not require that any agency or person be held accountable if an eligible child does not achieve the growth projected in the child's IFSP.
