§ 366.22 What is the order of priorities?

(a) In accordance with a State's allotment and to the extent funds are available, the order of priorities for allocating funds among centers within a State is as follows:

However, any funds received by an existing center to establish a new center at a different geographical location pursuant to proposed § 366.2(b)(2) are not included in determining the level of funding to the existing center in any fiscal year that the new center applies for and receives funds as a separate center.

(2) Existing centers that meet the requirements of paragraph (a)(1) of this section then receive a cost-of-living increase in accordance with procedures consistent with section 721(c)(3) of the Act.

(3) New centers, as described in § 366.2(b), that comply with the standards and assurances in section 725(b) and (c) of the Act and subparts F and G of this part.

(b) If, after meeting the priorities in paragraphs (a)(1) and (2) of this section, there are insufficient funds under the State's allotment under section 721(c) and (d) of the Act to fund a new center under paragraph (a)(3) of this section, the Secretary may—

- (1) Use the excess funds in the State to assist existing centers consistent with the State plan; or
- (2) Reallot these funds in accordance with section 721(d) of the Act.
