§668.44 Availability of employees for information dissemination purposes.

(a) *Availability.* (1) Except as provided in paragraph (b) of this section each institution shall designate an employee or group of employees who shall be available on a full-time basis to assist enrolled or prospective students in obtaining the information specified in §§ 668.42, 668.43, 668.45 and 668.46.

(2) If the institution designates one person, that person shall be available, upon reasonable notice, to any enrolled or prospective student throughout the normal administrative working hours of that institution.

(3) If more than one person is designated, their combined work schedules must be arranged so that at least one of them is available, upon reasonable notice, throughout the normal administrative working hours of that institution.

(b) *Waiver.* (1) the Secretary may waive the requirement that the employee or group of employees designated under paragraph (a) of this section be available on a full-time basis if the institution's total enrollment, or the portion of the enrollment participating in the title IV, HEA programs, is too small to necessitate an employee or group of employees being available on a full-time basis.

(2) In determining whether an institution's total enrollment or the number of title IV, HEA program recipients is too small, the Secretary considers whether there will be an insufficient demand for information dissemination services among its enrolled or prospective students to necessitate the full-time availability of an employee or group of employees.

(3) To receive a waiver, the institution shall apply to the Secretary at the time and in the manner prescribed by the Secretary.

(c) The granting of a waiver under paragraph (b) of this section does not exempt an institution from designating a specific employee or group of employees to carry out on a part-time basis the information dissemination requirements.

§668.45 Information on completion or graduation rates.

(a)(1) An institution annually must prepare the completion or graduation rate of its certificate- or degree-seeking, full-time undergraduate students, as provided in paragraph (b) of this section.

(2) An institution that determines that its mission includes providing substantial preparation for students to enroll in another eligible institution must prepare the transfer-out rate of its certificate- or degree-seeking, full-time undergraduate students, as provided in paragraph (c) of this section.

(3)(i) An institution that offers a predominant number of its programs based on semesters, trimesters, or quarters must base its completion or graduation rate and, if applicable, transfer-out rate calculations, on the

cohort of first-time, certificate- or degree-seeking, full-time undergraduate students who enter the institution during the fall term of each year.

(ii) An institution not covered by the provisions of paragraph (a)(3)(i) of this section must base its completion or graduation rate and, if applicable, transfer-out rate calculations, on the group of certificate- or degree-seeking, full-time undergraduate students who enter the institution between September 1 of one year and August 31 of the following year.

(iii) For purposes of the completion or graduation rate and, if applicable, transfer-out rate calculations required in paragraph (a) of this section, an institution must count as entering students only first-time undergraduate students, as defined in § 668.41(a).

(4)(i) An institution covered by the provisions of paragraph (a)(3)(i) of this section must count as an entering student a first-time undergraduate student who is enrolled as of October 15, the end of the institution's drop-add period, or another official reporting date as defined in § 668.41(a).

(ii) An institution covered by paragraph (a)(3)(ii) of this section must count as an entering student a first-time undergraduate student who is enrolled for at least—

(A) 15 days, in a program of up to, and including, one year in length; or

(B) 30 days, in a program of greater than one year in length.

(5) An institution must make available its completion or graduation rate and, if applicable, transfer-out rate, no later than the July 1 immediately following the 12-month period ending August 31 during which 150% of the normal time for completion or graduation has elapsed for all of the students in the group on which the institution bases its completion or graduation rate and, if applicable, transfer-out rate calculations.

(b) In calculating the completion or graduation rate under paragraph (a)(1) of this section, an institution must count as completed or graduated—

(1) Students who have completed or graduated by the end of the 12-month period ending August 31 during which 150% of the normal time for completion

or graduation from their program has lapsed; and

(2) Students who have completed a program described in § 668.8(b)(1)(ii), or an equivalent program, by the end of the 12-month period ending August 31 during which 150% of normal time for completion from that program has lapsed.

(c) In calculating the transfer-out rate under paragraph (a)(2) of this section, an institution must count as transfers-out students who by the end of the 12-month period ending August 31 during which 150% of the normal time for completion or graduation from the program in which they were enrolled has lapsed, have not completed or graduated but have subsequently enrolled in any program of an eligible institution for which its program provided substantial preparation.

(d) For the purpose of calculating a completion or graduation rate and a transfer-out rate, an institution may exclude students who—

(1) Have left school to serve in the Armed Forces;

(2) Have left school to serve on official church missions;

(3) Have left school to serve with a foreign aid service of the Federal Government, such as the Peace Corps;

(4) Are totally and permanently disabled; or

(5) Are deceased.

(e)(1) The Secretary grants a waiver of the requirements of this section to any institution that is a member of an athletic association or conference that has voluntarily published completion or graduation rate data, or has agreed to publish data, that the Secretary determines are substantially comparable to the data required by this section.

(2) An institution that receives a waiver of the requirements of this section must still comply with the requirements of § 668.41(d)(3) and (f).

(3) An institution, or athletic association or conference applying on behalf of an institution, that seeks a waiver under paragraph (e)(1) of this section must submit a written application to the Secretary that explains why it believes the data the athletic association or conference publishes are accurate and substantially comparable

to the information required by this section.

(f) In addition to calculating the completion or graduation rate required by paragraph (a)(1) of this section, an institution may, but is not required to—

(1) Calculate a completion or graduation rate for students who transfer into the institution;

(2) Calculate a completion or graduation rate and transfer-out rate for students described in paragraphs (d)(1) through (4) of this section; and

(3) Calculate a transfer-out rate as specified in paragraph (c) of this section, if the institution determines that its mission does not include providing substantial preparation for its students to enroll in another eligible institution.
