

§ 682.303

§ 682.303 [Reserved]

§ 682.304 Methods for computing interest benefits and special allowance.

(a) *General.* The Secretary pays a lender interest benefits and special allowance on eligible loans on a quarterly basis. These calendar quarters end on March 31, June 30, September 30, and December 31 of each year. A lender may use either the average daily balance method or the actual accrual method to determine the amount of interest benefits payable on a lender's loans. A lender shall use the average daily balance method to determine the balance on which the Secretary computes the amount of special allowance payable on its loans.

(b) *Average daily balance method for interest benefits.* (1) Under this method, the lender adds the unpaid principal balance outstanding on all loans qualifying for interest benefits at each actual interest rate for each day of the quarter, divides the sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for qualified loans outstanding at each actual interest rate.

(2) The Secretary computes the interest benefits due on all qualified loans at each actual interest rate by multiplying the average daily balance thereof by the actual interest rate, multiplying this result by the number of days in the quarter, and then dividing this result by the actual number of days in the year.

(c) *Actual accrual method for interest benefits.* (1) Under this method, the lender computes the total unpaid principal balance outstanding on all qualified loans at each actual interest rate on each day of the quarter, multiplies this result by the actual interest rate, and divides this result by the actual number of days in the year, or, alternatively, 365.25 days. A lender who chooses to divide by 365.25 days must do so for four consecutive years.

(2) The interest benefits due for a quarter equal the sum of the daily interest benefits due, computed under paragraph (c)(1) of this section, for each day of the quarter.

(d) *Average daily balance method for special allowance.* (1) To compute the

average daily balance outstanding for purposes of special allowance, the lender adds the unpaid principal balance outstanding on all qualified loans at each applicable interest rate for each day of the quarter, divides this sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for the quarter for qualifying loans at each applicable interest rate.

(2) The Secretary computes the special allowance payable to a lender based upon the average daily balance computed by the lender under paragraph (d)(1) of this section.

(Authority: 20 U.S.C. 1082, 1087-1)

§ 682.305 Procedures for payment of interest benefits and special allowance and collection of origination and loan fees.

(a) *General.* (1) If a lender owes origination fees or loan fees under paragraph (a) of this section, it must submit quarterly reports to the Secretary on a form provided or prescribed by the Secretary, even if the lender is not owed, or does not wish to receive, interest benefits or special allowance from the Secretary.

(2) The lender shall report, on the quarterly report required by paragraph (a)(1) of this section, the amount of origination fees it was authorized to collect and the amount of those fees refunded to borrowers during the quarter covered by the report.

(3)(i)(A) The Secretary reduces the amount of interest benefits and special allowance payable to the lender by—

(1) The amount of origination fees the lender was authorized to collect during the quarter under § 682.202(c), whether or not the lender actually collected that amount; and

(2) The amount of lender fees payable under paragraph (a)(3)(ii) of this section; and

(3) The amount of excess interest, as calculated in accordance with paragraph (d) of this section.

(B) The Secretary increases the amount of interest benefits and special allowance payable to the lender by the amount of origination fees refunded to borrowers during the quarter under § 682.202(c).

(ii)(A) For any FFEL loan made on or after October 1, 1993, a lender shall pay the Secretary a loan fee equal to 0.50% of the principal amount of the loan.

(B) For any FFEL loan made on or after October 1, 2007, a lender shall pay the Secretary a loan fee equal to 1.0 percent of the principal amount of the loan.

(iii) The Secretary collects from an originating lender the amount of origination fees the originating lender was authorized to collect from borrowers during the quarter whether or not the originating lender actually collected those fees. The Secretary also collects the fees the originating lender is required to pay under paragraph (a)(3)(ii) of this section. Generally, the Secretary collects the fees from the originating lender by offsetting the amount of interest benefits and special allowance payable to the originating lender in a quarter, and, if necessary, the amount of interest benefits and special allowance payable in subsequent quarters may be offset until the total amount of fees has been recovered.

(iv) If the full amount of the fees cannot be collected within two quarters by reducing interest and special allowance payable to the originating lender, the Secretary may collect the unpaid amount directly from the originating lender.

(v) If the full amount of the fees cannot be collected within two quarters from the originating lender in accordance with paragraphs (a)(3)(iii) and (iv) of this section and if the originating lender has transferred the loan to a subsequent holder, the Secretary may, following written notice, collect the unpaid amount from the holder by using the same steps described in paragraphs (a)(3)(iii) and (iv) of this section, with the term "holder" substituting for the term "originating lender".

(4) If an originating lender sells or otherwise transfers a loan to a new holder, the originating lender remains liable to the Secretary for payment of the origination fees. The Secretary will not pay interest benefits or special allowance to the new holder or pay reinsurance to the guaranty agency until the origination fees are paid to the Secretary.

(b) *Penalty interest.* (1)(i) If the Secretary does not pay interest benefits or the special allowance within 30 days after the Secretary receives an accurate, timely, and complete request for payment from a lender, the Secretary pays the lender penalty interest.

(ii) The payment of interest benefits or special allowance is deemed to occur, for purposes of this paragraph, when the Secretary—

(A) Authorizes the Treasury Department to pay the lender;

(B) Credits the payment due the lender against a debt that the Secretary determines is owed the Secretary by the lender; or

(C) Authorizes the Treasury Department to pay the amount due by the lender to another Federal agency for credit against a debt that the Federal agency has determined the lender owes.

(2) Penalty interest is an amount that accrues daily on interest benefits and special allowance due to the lender. The penalty interest is computed by—

(i) Multiplying the daily interest rate applicable to loans on which payment for interest benefits was requested, by the amount of interest benefits due on those loans for each interest rate;

(ii) Multiplying the daily special allowance rate applicable to loans on which special allowance was requested by the amount of special allowance due on those loans for each interest rate and special allowance category;

(iii) Adding the results of paragraphs (b)(2)(i) and (ii) of this section to determine the gross penalty interest to be paid for each day that penalty interest is due;

(iv) Dividing the results of paragraph (b)(2)(iii) of this section by the gross amount of interest benefits and special allowance due to obtain the average penalty interest rate;

(v) Multiplying the rate obtained in paragraph (b)(2)(iv) of this section by the total amount of reduction to gross interest benefits and special allowance due (e.g., origination fees or other debts owed to the Federal Government);

(vi) Subtracting the amount calculated in paragraph (b)(2)(v) of this section from the amount calculated

§ 682.305

34 CFR Ch. VI (7-1-08 Edition)

under paragraph (b)(2)(iii) of this section to obtain the net amount of penalty interest due per day; and

(vii) Multiplying the amount calculated in paragraph (b)(2)(vi) of this section by the number of days calculated under paragraph (b)(3) of this section.

(3) The Secretary pays penalty interest for the period—

(i) Beginning on the later of—

(A) The 31st day after the final day of the quarter covered by the request for payment; or

(B) The 31st day after the Secretary's receipt of an accurate, timely, and complete request for payment from the lender; and

(ii) Ending on the day the Secretary pays the interest benefits and the special allowance at issue, in accordance with paragraph (b)(1)(ii) of this section.

(4) A request for interest benefits and special allowance is considered timely only if it is received by the Secretary within 90 days following the end of the quarter to which the request pertains.

(5) A request for interest benefits and special allowance is not considered accurate and complete if it—

(i) Requests payments to which the lender is not entitled under §§ 682.300 through 682.302;

(ii) Includes loans that the Secretary, in writing, has directed that the lender exclude from the request;

(iii) Does not contain all information required by the Secretary or contains conflicting information; or

(iv) Is not provided and certified on the form and in the manner prescribed by the Secretary.

(c) *Independent audits.* (1) A lender (other than a school lender) originating or holding more than \$5 million in FFEL loans during its fiscal year, and a school lender under § 682.601 that originates or holds any FFEL loans during its fiscal year, must submit an independent annual compliance audit for that year, conducted by a qualified independent organization or person. The Secretary may, following written notice, suspend the payment of interest benefits and special allowance to a lender that does not submit its audit within the time period prescribed in paragraph (c)(2) or this section.

(2) The audit required under paragraph (c)(1) of this section must—

(i) Examine the lender's compliance with the Act and applicable regulations;

(ii) Examine the lender's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) *Government Auditing Standards*. Procedures for audits are contained in an audit guide developed by and available from the Office of the Inspector General of the Department;

(iv) Be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be of the lender's first fiscal year that begins after July 23, 1992, and must be submitted within six months of the end of the audit period. Each subsequent audit must cover the lender's activities for the period beginning no later than the end of the period covered by the preceding audit;

(v) With regard to a lender that is a governmental entity or a nonprofit organization, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR §§ 74.26 and 80.26, as applicable; and

(vi) With regard to a school that makes or originates loans, the audit requirements are in 34 CFR § 682.601(a)(7).

(vii) The Secretary may determine that a lender has met the requirements of paragraph (c) of this section if the lender has been audited in accordance with 31 U.S.C. 7502 for other purposes, the lender submits the results of the audit to the Office of Inspector General, and the Secretary determines that the audit meets the requirements of this paragraph.

(d) *Recovery of excess interest paid by the Secretary.*

(1) For any loan for which the first disbursement of principal is made on or after April 1, 2006, the Secretary collects the amount of excess interest paid to a lender on a quarterly basis when the applicable interest rate on a loan for each quarter exceeds the special allowance support level in paragraph (d)(2) of this section for the loan.

Excess interest is calculated and recovered each quarter by subtracting the special allowance support level from the applicable interest rate, multiplying the result by the average daily principal balance of the loan (not including unearned interest added to principal) during the quarter, and dividing by four.

(2) The term *special allowance support level* means a number expressed as a percentage equal to the sum of—

(i) The average of the bond equivalent rates of the quotes of the 3-month commercial paper (financial) rates in effect for each of the days in such quarter as reported by the Federal Reserve in Publication H-15 (or its successor) for such 3-month period; plus

(ii) 2.34 percent for a Federal Stafford loan in repayment;

(iii) 1.74 percent for a Federal Stafford loan during the in-school, grace, and deferment periods; or

(iv) 2.64 percent for a Federal PLUS or Consolidation Loan.

Subpart D—Administration of the Federal Family Education Loan Programs by a Guaranty Agency

§ 682.400 Agreements between a guaranty agency and the Secretary.

(a) The Secretary enters into agreements with a guaranty agency whose loan guarantee program meets the requirements of this subpart. The agreements enable the guaranty agency to participate in the FFEL programs and to receive the various payments and benefits related to that participation.

(b) There are four agreements:

(1) *Basic program agreement.* In order to participate in the FFEL programs, a guaranty agency must have a basic program agreement. Under this agreement—

(i) Borrowers whose Stafford and Consolidation loans that consolidate only subsidized Stafford loans are guaranteed by the agency may qualify for interest benefits that are paid to the lender on the borrower's behalf; and

(ii) Lenders under the guaranty agency program may receive special allowance payments from the Secretary and have death, disability, bankruptcy, closed school and false certification discharge claims paid by the Secretary through the guaranty agency.

(2) *Federal advances for claim payments agreement.* A guaranty agency must have an agreement for Federal advances for claim payments to receive and use Federal advances to pay default claims.

(3) *Reinsurance agreement.* A guaranty agency must have a reinsurance agreement to receive reimbursement from the Secretary for its losses on default claims.

(4) *Loan Rehabilitation Agreement.* A guaranty agency must have an agreement for rehabilitating a loan for which the Secretary has made a reinsurance payment under section 428(c)(1) of the Act.

(c) The Secretary's execution of an agreement does not indicate acceptance of any current or past standards or procedures used by the agency.

(d) All of the agreements are subject to subsequent changes in the Act, in other applicable Federal statutes, and in regulations that apply to the FFEL programs.

(Authority: 20 U.S.C. 1072, 1078-1, 1078-2, 1078-3, 1082, 1087, 1087-1)

[57 FR 60323, Dec. 18, 1992, as amended at 59 FR 33353, June 28, 1994; 64 FR 18978, Apr. 16, 1999; 64 FR 58627, Oct. 29, 1999]

§ 682.401 Basic program agreement.

(a) *General.* In order to participate in the FFEL programs, a guaranty agency shall enter into a basic agreement with the Secretary.

(b) *Terms of agreement.* In the basic agreement, the guaranty agency shall agree to ensure that its loan guarantee program meets the following requirements at all times:

(1) *Aggregate loan limits.* The aggregate guaranteed unpaid principal amount for all Stafford and SLS, loans made to a borrower may not exceed the
