

§ 690.66

34 CFR Ch. VI (7-1-08 Edition)

(1) The amount received at the first institution is compared to the Scheduled Federal Pell Grant at the first institution to determine the percentage of the Scheduled Federal Pell Grant that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled Federal Pell Grant at the second institution to which the student is entitled.

(e) The student's Federal Pell Grant for each payment period is calculated according to the procedures in § 690.63 unless the remaining percentage of the Scheduled Federal Pell Grant at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period. In that case, the student's Federal Pell Grant is equal to that remaining percentage.

(f) A transfer student shall repay any amount received in an award year that exceeds—

(1) His or her Scheduled Federal Pell Grant; or

(2) The amount which he or she was eligible to receive for the award year under § 690.67.

§ 690.66 Correspondence study.

(a) An institution calculates the Federal Pell Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component, by—

(1) Determining the student's annual award using the half-time Disbursement Schedule; and

(2) Multiplying the annual award determined from the Disbursement Schedule for a half-time student by the lesser of—

(i)

$$\frac{\text{The number of credit hours in the payment period}}{\text{The number of credit hours in the program's academic year}};$$

or
(ii)

$$\frac{\text{The number of weeks of instructional time in the payment period}}{\text{The number of weeks of instructional time in the program's academic year}}$$

(b) For purposes of paragraph (a) of this section—

(1) An academic year as measured in credit hours must consist of 2 payment periods—

(i) The first payment period must be the period of time in which the student completes the lesser of the first half of his or her academic year or program; and

(ii) The second payment period must be the period of time in which the student completes the lesser of the second

half of the academic year or program; and

(2)(i) The institution shall make the first payment to a student for an academic year, as calculated under paragraph (a)(4) of this section, after the student submits 25 percent of the lessons or otherwise completes 25 percent of the work scheduled for the program or the academic year, whichever occurs last; and

(ii) The institution shall make the second payment to a student for an academic year, as calculated under

(a)(4) of this section, after the student submits 75 percent of the lessons or otherwise completes 75 percent of the work scheduled for the program or the academic year, whichever occurs last.

(c) In a program of correspondence study offered by correspondence courses using terms but not including any residential component—

(1) The institution must prepare a written schedule for submission of lessons that reflects a workload of at least 30 hours of preparation per semester hour or 20 hours of preparation per quarter hour during the term;

(2)(i) If the student is enrolled in at least 6 credit hours that commence and are completed in that term, the Disbursement Schedule for a half-time student is used; or

(ii) If the student is enrolled in less than 6 credit hours that commence and are completed in that term the Disbursement Schedule for a less-than-half-time student is used;

(3) A payment for a payment period is calculated using the formula in §690.63(d) except that paragraphs (c) (1) and (2) of this section are used in lieu of §690.63(d) (1) and (2) respectively; and

(4) The institution shall make the payment to a student for a payment period after that student completes 50 percent of the lessons or otherwise completes 50 percent of the work scheduled for the term, whichever occurs last.

(d) Payments for periods of residential training shall be calculated under §690.63(d) if the residential training is offered using terms and credit hours or §690.63(e) if the residential training is offered using credit hours without terms.

(2) The student is enrolled only in coursework required for completing his or her associate or baccalaureate degree, including courses in his or her major area of study or electives that fulfill the student's graduation requirements, during any payment period in which the student is paid any portion of his or her second Scheduled Federal Pell Grant award;

(3) In the previous payment periods in the award year the student has completed the number of credit hours required in an academic year leading to his or her associate or baccalaureate degree program; and

(4) The student has completed the weeks of instructional time required for an academic year or will complete them in the first payment period for which he or she will receive a payment from his or her second Scheduled Federal Pell Grant award.

(c) If an institution awards a student up to a second Scheduled Federal Pell Grant award, the institution must make such awards to all students who qualify under paragraph (a) of this section.
