SOURCE: 64 FR 71965, Dec. 22, 1999, unless otherwise noted.

## GENERAL

**§ 76.785 What is the purpose of this subpart?**

The regulations in this subpart implement section 10306 of the Elementary and Secondary Education Act of 1965 (ESEA), which requires States to take measures to ensure that each charter school in the State receives the funds for which it is eligible under a covered program during its first year of operation and during subsequent years in which the charter school expands its enrollment.

(Authority: 20 U.S.C. 8065a)

**§ 76.786 What entities are governed by this subpart?**

The regulations in this subpart apply to—

(a) State educational agencies (SEAs) and local educational agencies (LEAs) that fund charter schools under a covered program, including SEAs and LEAs located in States that do not participate in the Department's Public Charter Schools Program;

(b) State agencies that are not SEAs, if they are responsible for administering a covered program. State agencies that are not SEAs must comply with the provisions in this subpart that are applicable to SEAs; and

(c) Charter schools that are scheduled to open or significantly expand their enrollment during the academic year and wish to participate in a covered program.

(Authority: 20 U.S.C. 8065a)

*Charter school* has the same meaning as provided in title X, part C of the ESEA.

*Charter school LEA* means a charter school that is treated as a local educational agency for purposes of the applicable covered program.

*Covered program* means an elementary or secondary education program ad-

*Local educational agency* has the same meaning for each covered program as provided in the authorizing statute for the program.

*Significant expansion of enrollment* means a substantial increase in the number of students attending a charter school due to a significant event that is unlikely to occur on a regular basis, such as the addition of one or more grades or educational programs in major curriculum areas. The term also includes any other expansion of enrollment that the SEA determines to be significant.

(Authority: 20 U.S.C. 8065a)

## RESPONSIBILITIES FOR NOTICE AND INFORMATION

**§ 76.788 What are a charter school LEA's responsibilities under this subpart?**

(a) *Notice*. At least 120 days before the date a charter school LEA is scheduled to open or significantly expand its enrollment, the charter school LEA or its authorized public chartering agency must provide its SEA with written notification of that date.

(b) *Information*. (1) In order to receive funds, a charter school LEA must provide to the SEA any available data or information that the SEA may reasonably require to assist the SEA in estimating the amount of funds the charter school LEA may be eligible to receive under a covered program.

(2)(i) Once a charter school LEA has opened or significantly expanded its enrollment, the charter school LEA must provide actual enrollment and eligibility data to the SEA at a time the SEA may reasonably require.
