

Washington, DC 20402. No formal request to examine documents in the FEDERAL REGISTER is necessary to inspect them at the place where they are kept. Materials incorporated by reference in the FEDERAL REGISTER are available for inspection in A&TBCB offices.

(b) *Code of Federal Regulations.* Title 36 of the *Code of Federal Regulations*, which is republished and updated annually, contains a compilation of documents published by the A&TBCB in the FEDERAL REGISTER which set forth substantive and procedural rules and regulations of the A&TBCB and statements of general policy or interpretations of general applicability formulated and adopted by the Board. Copies of the *Code of Federal Regulations* are available in many libraries and may be purchased from the Superintendent of Documents. Reference copies maintained in offices of the A&TBCB are available for examination without formal request.

(c) *Effect of nonpublication.* Except to the extent that a person has actual and timely notice of its terms, no person may in any manner be required to resort to, or be adversely affected by, any procedure or matter required to be published in the FEDERAL REGISTER, but not so published. For the purposes of this paragraph, material that is reasonably available to the class of persons affected by it is considered to be published in the FEDERAL REGISTER if it has been incorporated by reference in the FEDERAL REGISTER with the approval of the Director of the Federal Register.

§ 1120.6 Information in A&TBCB publications.

(a) *General.* Copies of information material shall be available upon oral or written request so long as an adequate supply exists. These informational materials include press releases, pamphlets, and other materials ordinarily made available to the public without cost as part of a public information program, and reprints of individual parts of the *Code of Federal Regulations* or FEDERAL REGISTER relating to programs affecting substantial segments of the general public. Copies of informational publications of the A&TBCB

which may be purchased from the Superintendent of Documents may be inspected in those offices of the A&TBCB in which reference copies are available. Compliance with the formal procedures provided in this part for obtaining access to A&TBCB records is not necessary for access to the materials described in this paragraph.

(b) *Published indexes.* The informational publications available from the A&TBCB may include indexes to materials published or contained in its records. They will include the current indexes required by the Freedom of Information Act to be maintained and made available for inspecting and copying, except as otherwise provided by published order, as noted below. These indexes provide identifying information for the public as to—

- (1) Final opinions and orders made in the adjudication of cases;
- (2) Statements of policy and interpretations adopted but not published in the FEDERAL REGISTER; and
- (3) Administrative staff manuals and instructions to staff that affect a member of the public.

As promptly as possible after adoption of this part, these indexes will be made available to members of the public. Thereafter, updated indexes or supplements shall be published at least quarterly. However, the Board may determine by order published in the FEDERAL REGISTER that publication of an index is unnecessary and impracticable. In that case the Board shall provide copies of the index on request at a cost not to exceed the direct cost of duplication.

Subpart C—Records Available for Public Inspection and Copying, Documents Published and Indexed

§ 1120.11 Records available for inspection.

Except for those categories of materials listed in paragraph (a) of this section, paragraphs (a) (1) through (9) of § 1120.41 the following materials are available for public inspection and copying during normal business hours at the Washington office of the A&TBCB:

(a) Final opinions and orders made in the adjudication of cases;

(b) Statements of policy and interpretations which have been adopted under the authority of the A&TBCB and are not published in the FEDERAL REGISTER;

(c) Administrative staff manuals and instructions to staff that affect a member of the public;

(d) A record of the final votes of each member of the Board in every Board proceeding;

(e) Current indexes providing identifying information for the public as to the materials made available under paragraphs (a) through (d) of this section.

(f) All papers and documents made a part of the official record in administrative proceedings conducted by the A&TBCB in connection with the issuance, amendment, or revocation of rules and regulations or determinations having general applicability or legal effect with respect to members of the public or a class of the public.

(g) After a final order is issued in any adjudicative proceeding conducted by the A&TBCB, all papers and documents made a part of the official record of the proceeding. (The official docket is kept in the office of the administrative law judge hearing the case until a final order is issued.)

§ 1120.12 Indexes to certain records.

Current indexes are normally available to the public in published form as provided in §1120.11. These indexes, whether or not published, are made available for inspection and copying on request. If published copies of a particular index are at any time not available or if publication of the index has been determined to be unnecessary and impracticable by order published in the FEDERAL REGISTER, copies of the index will be furnished on request. (See §1120.6(b), *Published indexes.*)

§ 1120.13 Effect of nonavailability.

Any material listed in paragraph (a) of this section that is not indexed as required by §1120.11(e) and §1120.12, may not be cited, relied on, or used as precedent by the Board to adversely affect any member of the public unless the person against whom it is cited, re-

lied on, or used has had actual and timely notice of the material.

Subpart D—Information Available Upon Request

§ 1120.21 Policy on disclosure of records.

(a) It is the policy of the A&TBCB to make information available to the public to the greatest extent possible in keeping with the spirit of the Freedom of Information Act. Therefore, all records of the A&TBCB, except those that the A&TBCB specifically determines must not be disclosed in the national interest, for the protection of private rights, or for the efficient conduct of public business to the extent permitted by the Freedom of Information Act, are declared to be available for public inspection and copying as provided in this part. Each member and employee of the A&TBCB is directed to cooperate to this end and to make records available to the public promptly and to the fullest extent consistent with this policy. A record may not be withheld from the public solely because its release might suggest administrative error or embarrass a member or employee of the A&TBCB.

(b) Subject to §1120.51, any non-exempt A&TBCB record is available to the public upon request regardless of whether the requestor shows any justification or need for the record.

(c) An A&TBCB office may waive the procedures on this subpart in favor of the requestor, for reasons of the public interest, simplicity, or speed.

(d) If a requested record contains both exempt and nonexempt material, the nonexempt material shall be disclosed, after the exempt material has been deleted in accordance with §1120.42.

§ 1120.22 Requests to which this subpart applies.

(a) This subpart applies to any written request (other than a request made by another Federal agency) received by the A&TBCB, whether or not the request cites the Freedom of Information Act, 5 U.S.C. 552, except with respect to records for which a less formal disclosure procedure is provided specifically in this part.
